MEMORANDUM FOR: THE PRESIDENT

FROM: George P. Shultz *GPS*

SUBJECT: Soviet Views on Gorbachev/Shevardnadze Meetings

The Soviet charge d'affaires came in this afternoon to share Moscow's current thinking on arrangements for Geneva and Shevardnadze's September visit to the U.S.

Geneva Arrangements

On Geneva, the Soviets feel "strongly" that meetings should alternate between their mission and ours. While we continue to feel that the advantages of a neutral site justify one more attempt to bring them around, we could minimize the difficulties of dual locations by using your residence as "our" venue. As the building normally used by the Soviets in Geneva is in fact the residence of their Consul General, there would be no symmetry problem.

On social events, Moscow shares our view that informal dinners the evenings of November 19 and 20 would be most appropriate. They have proposed, however, that the Swiss reception be the evening of November 18, which would make your first encounter with Gorbachev a public one. This is clearly not acceptable from our standpoint, and the Charge's reaction when we shared our concerns with him suggested the Soviets may ultimately be receptive to our arguments that the reception should come before dinner on the twentieth. We will try again.

The Charge indicated Gorbachev will arrive in Geneva the afternoon of November 18, and that he has agreed to meet with the Swiss President. Mrs. Gorbacheva will accompany him, but there are as yet no details on her program or interests in Geneva.

Shevardnadze Visit

Shevardnadze would hope to meet with you at the White House September 27. (He will be accompanying Gorbachev to Paris during the first days of October, and will return to Moscow directly from Washington the morning of September 28 if we agree on the

twenty-seventh). Depending on whether a morning or afternoon session was most convenient for you, he would come down from New York the night before your meeting or the same day.

Shevardnadze proposed that he and I meet in New York September 25 from 2:00 to 6:00 p.m., and indicated that he would be prepared to have a second meeting with me on the twenty-seventh if time permitted. As you will recall, such a scenario worked well last year with Gromyko. If you agree, we will confirm to the Soviets that you are prepared to see Shevardnadze the morning of September 27, and propose that he and I hold a follow-up session that afternoon.

Уважаемый господин Г.Маршалл!

Мне очень трудно было решиться на то, чтобы побеспокоить Вас, и все же отважился обратиться с деликатной просьбой: может, согласитесь пробежать глазами по моим зарисовкам к портрету Э.Шеварднадзе.

Я всегда был в стороне от политики, но по долгу службы и роду занятий мне приходилось слышать и видеть происходящее в Грузии изнутри.

Поясню. Я был заместителем главного редактора журнала "Литературная Грузия", переводил с грузинского на русский современных прозаиков, дружил со многими писателями, так сказать, варился в том котле. А сейчас, в связи с назначением Э.Шеварднадзе министром иностранных дел, мне захотелось изложить увиденное и услышанное, набросать портрет Шеварднадзе на фоне тогдашней действительности. Когда же написал, пришли сомнения - интересно ли это, нужно кому, стоит печатать???

Вот я и осмелился обратиться к Вам, уважаемый профессор, с просьбой прочитать эти заметки, наставить меня на путь истинный... А если, дай Бог, они Вам чем-то понравятся, не согласитесь ли оказать содействие в напечатании в англоязычной прессе.

Только не подумайте обо мне худо, я вовсе не нахал или назойливый тип, просто отсутствие умудренных опытом людей вокруг толкнуло меня потревожить Вас.

Если из этого доброго намерения /с Грузией у меня дружеские связи, получаю оттуда газеты, журналы и т.д./ ничего путного не получилось, то порвите, пожалуйста, мой "опус", выбросите в мусорную корзину.

Я буду Вам очень признателен, если черкнете хоть пару слов, не заставите казнить себя за это письмо.

Посылаю Вам в благодарность наперед мою книгу "Задуй во мне свечу", авось она Вам поможет в работе...

Заранее благодарю *11/8/85* / Борис Гасс /

Зарисовки к портрету Эдуарда Шеварднадзе

В феврале 1921 года в столицу Грузии, конечно, по просьбе трудящихся, вступили части Красной Армии. В Москву полетела телеграмма:

" Ленину, Сталину.

Над Тифлисом реет красное знамя Советской власти. Да здравствует Советская Грузия!"

С годами красное знамя выцвело. Над городом возвысилась фигура женщины, держащая в одной руке чашу, а в другой - меч. По замыслу скульптора эта фигура должна была символизировать гостеприимство для друзей и кару для врагов. Однако, по прихоти судьбы, она начала принимать иное значение. Высоко поднятая чаша стала "показателем" достатка, а опущенный ниже живота меч означал отсутствие правосудия...

В середине нашего века Грузия была охвачена бурным процессом обогащения. Деловые люди швыряли деньгами, покупали производства, должности, партийные билеты. Юморист Н. Думбадзе, любимец Э. Шеварднадзе, в одном из романов писал, что то было время, когда партбилет приравнивался к хлебной карточке...

Всякий власть имущий имел свои объекты, каждый брал по чину. В Кутаиси мне рассказывали, какие огромные деньги дают милиционеры начальству за право дежурить в районе, где процветала спекуляция. Подежурив там несколько месяцев, постовой спокойно мог обзавестись квартирой.

У нас в Тбилиси произошла забавная история. Секретарь райкома партии одним ухом услышал, что его собираются снять с работы, и мигом дал задание подручным, не дожидаясь конца месяца, взять во всех объектов "пола-

гающийся" ему калым. А через неделю все артельщики и магазинщики взвыли - им пришлось повторно выложить наличные уже для нового секретаря.

Начальники отделений милиции, секретари райкомов брали звонкой монетой. Зато первый секретарь горкома партии предпочитал драгоценные камни. Эти подношения он принимал в спичечной коробке. Самой "невинной жертвой" оказалась жена поэта республики Виктория Мжаванадзе. Позже она наивно жаловалась, мол, знакомясь, протягивала деловым людям руку, а те унижали ее пальцы бриллиантовыми кольцами...

Все были поработаны жадной наживы, даже журналисты. Только они зарабатывали не на том, что писали, а что не печатали. Н. Думбадзе полущутя жаловался на сотрудников по журналу - за взятки они построили себе дома, купили машины, мебель и все это оформили на родственников, я подозреваю, что и жены у них оформлены на чужое имя...

Как-то я с молодым писателем Гурамом Панджикидзе оказался свидетелем такой сцены в закусочной. Трое дельцов заперли. Один из них, совсем молодой, достал из кармана пачку денег и начал ими бить второго по седой голове. Но тот с чем-то не соглашался, упрямылся. А пачка все опускалась и опускалась на его голову. Наконец он сдался - пошел за пивом, протер тряпкой стойку, принес пирожки. Гурам сказал: "Видишь, как они унижают слабых людей деньгами. В моем новом романе описан случай похлеще - пьяный делец предлагает официанту большую сумму денег за мизинец... хорошо прожаренный на сковородке. Будь человеком, переведи его на русский".

Роман "Камень чистой воды", едва появившись в журнале "Цискари", подвергся уничтожающей критике. Ругали его даже на партийной конференции. Мне стало на душе мутно - зря взялся переводить по рукописи, никто не напечатает. И вдруг ободряющая весть. Редактор журнала передал Гураму поздравления Э. Мжаванадзе: "Роман Эдуарду очень понравился, он постарается

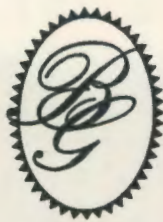

тебе помочь".

В то время Э. Шеварднадзе занимал пост министра внутренних дел республики. На это место его "упрятал" Мжаванадзе, узрев в комсомольском вожаке активного соперника, птицу / шевардени на грузинском - сокол / высокого полета. Вначале первый секретарь ЦК думал вовсе избавиться от Эдуарда, заслав его в захолустный мхетский райком. Но произошла осечка, и Шеварднадзе перебрался в министерское кресло. Утверждали, что ему помогла "рука из Москвы".

Человек гибкий, умный, подверженный новым веяниям и честолюбивый, Э. Шеварднадзе, еще будучи секретарем ЦК комсомола, подобрал верных людей из молодежи, расставил их на ключевые позиции и выжидал. Его друзья из писательской среды стали редакторами молодежных газет и журналов. Н. Думбадзе - редактором сатирического журнала "Иланги", Д. Чарквиани - журнала "Цискари", Г. Панджикидзе - ответсекретарем литературной газеты. Они и печатали наиболее острые, разоблачительные произведения. Создается впечатление, что Шеварднадзе из-за кулис, поскольку сил и влияния у него не было еще достаточно, руководил все громче звучащим хором недовольных интеллектуалов. Не исключено, что на его поддержку рассчитывали и двое приближенных к Мжаванадзе аппаратчиков, когда отважились на открытое письмо против секретаря ЦК по идеологии. Оба они, смещенные с постов, сразу же после "воцарения" Шеварднадзе получили высокие должности. Не забыл Шеварднадзе и старых друзей - Н. Думбадзе и Д. Чарквиани стали секретарями союза писателей, впоследствии и лауреатами Ленинской и Руставелевской премий. Г. Панджикидзе назначен директором крупнейшего грузинского издательства.

Характерный штрих. Около года назад Эдуард Шеварднадзе написал на смерть Н. Думбадзе воспоминания о встречах с замечательным писателем.

На роман Панджикидзе продолжали сыпаться все шишки. И спасая его от издательского остракизма, Турам внес поправки, сгладил кое-где

острые углы, дописал новую главу - ввел в роман неподкупного следователя. Роман вышел, наконец, отдельной книгой, и в образе честного, интеллигентного следователя многие узнали Эдуарда Шеварднадзе. А при постановке инсценировки "Камня чистой воды" актер заигрывался с намеками на внешний облик Шеварднадзе. Эта сцена не дошла даже до генеральной репетиции...

В качестве министра внутренних дел Шеварднадзе завел папку на комбинаторов Лазивили. Но широкая поддержка секретарей ЦК и жены Жаванадзе удачливых братьев нейтрализовали все его усилия. Ходили слухи, будто министр Эдуард Шеварднадзе и делец Отар Лазивили поклялись уничтожить один другого... А пока что Отар носил покровителям спичечные коробки, получал заграничное оборудование, мыл свою машину шампанским. Шеварднадзе же упорно копил материал. И на каком-то этапе ему удалось взять верх - Отара арестовали...

Интересная подробность. Из всех братьев Лазивили министр упрятал в тюрьму одного Отара, остальным же наказал немедленно бросить "левые" дела, закрыть "лавочку".

Такова была расстановка сил в Грузии, когда Э. Шеварднадзе занял кресло первого секретаря ЦК. Я хорошо помню закрытое собрание в Союзе писателей, на котором Шеварднадзе обратился с призывом помочь партии в борьбе с "уродливыми явлениями нашего быта". Говорил он спокойно, не по бумажке, называл понравившиеся ему произведения, обращался к писателям по именам. Не обошлось и без упрека. Недавно, - сказал он, - я был на концерте симфонического оркестра Грузии и к своему огорчению не нашел в зале ни одного грузинского писателя, а ведь вы должны показывать пример...

Далее он неожиданно перешел к еврейскому вопросу и сказал приблизительно следующее. В том, что евреи уезжают из Грузии в Израиль, есть большая доля и нашей вины. Мы, партийные работники, не уделили достаточного внимания их просвещению, развитию, не помогли им подняться на должный

уровень. Надо усилить идеологическую и культурную работу, внедрить в еврейские массы советский патриотизм, помочь им преодолеть отсталость.

Вообще Э. Шеварднадзе, как мне верится, не должен быть антисемитом, ибо он подлинный грузин. А исторически грузинскому народу, за редким исключением, чужды антиеврейские настроения.

Я вырос, окончил школу и университет в Тбилиси. И даже во время войны не слышал унижительных кличек от сверстников или взрослых. Работая в журнале "Литературная Грузия" /из девяти сотрудников четверо были евреями/, довольно быстро стал заместителем главного редактора, членом редколлегии. Никто и никогда не заставлял меня подписывать переводы псевдонимом. Мое еврейство не мешало мне быть своим среди грузин.

Пикантная подробность. После собрания, на котором меня в связи с выездом в Израиль исключили из Союза писателей, грузинские друзья - поэты и прозаики - устроили мне пышные проводы в ресторане. Прямо после собрания мы поехали кутить....

Сам факт существования государства Израиль стал для грузин доказательством того, что маленькая страна, окруженная врагами, способна сохранить независимость, постоять за себя. И эта мысль греет их сердца. Примером доброжелательного отношения грузин к Израилю могут служить и книги И. Абашидзе и И. Пуруа о поездке в Иерусалим. Об истории их создания я подробно рассказал в книге "Задуй во мне свечу". Добавлю только, что при прощании И. Абашидзе попросил меня передать сборник его стихов с дарственной профессору Хаиму Варди.

Раз уж я упомянул свою книгу, признаюсь, что послал один из первых экземпляров Э. Шеварднадзе с такой надписью:

" Уважаемый батоно Эдуард Шеварднадзе!

Примите, пожалуйста, в дар эту книгу, пронизанную любовью к Грузии и ее народу. Очень прошу Вас, продолжайте относиться с пониманием и сочувствием и к моему народу.

С почтительностью Борис Гасс

июль 1984 ".

Я далеко не уверен, что во многих советских газетах печатаются стихи, поздравления с праздниками или письма, присланные из Израиля. Зато точно знаю, так как регулярно получаю "Сампобло", что в этой грузинской газете часто публикуются корреспонденции израильских граждан.

И уже совсем редкий случай. Грузинская литературная газета напечатала некролог на смерть переводчика Руставели на иврит Бориса Гапонова, который за несколько лет до этого выехал в Израиль... Ответсекретарь этой газеты признался мне, что "протолкнуть" некролог на Гапонова ему не стоило никакого труда...

Борьбу с коррупцией и "махинаторами" Шеварднадзе вел решительно и своеобразно. Он посылал людей в штатском проверять документы у посетителей ресторанов в рабочее время. Предложил на важном совещании голосовать левой рукой, а затем поинтересовался, откуда у многих на руках "Сейко", если эти часы не продаются в магазинах. Запретил частникам вывозить из Грузии фрукты, цветы, апельсины. Закрыв многие цеха и комбинаты. А в ответ на анонимные письма с угрозами стал совершать по парку вечерние прогулки "без личной охраны". Шеварднадзе так и не разрешил перевести Отара Лазисвили в колонию за пределы Грузии, где братья могли бы создать ему лучшие условия. Клятва грузина чего-то да стоит...

Закончу свои мимолетные зарисовки к портрету министра иностранных

~~CONFIDENTIAL~~MEMORANDUM FOR ROBERT C. MCFARLANE
THE WHITE HOUSESUBJECT: Secret Service Protection For Soviet Foreign
Minister Eduard Shevardnadze

The Soviets have requested Secret Service protection for Foreign Minister Eduard Shevardnadze during his forthcoming visit to the United States. He plans to arrive in New York on September 17th and will depart on September 28th. Details of his schedule are still tentative, but we believe he will travel to Washington on September 26th and remain here through the afternoon of September 28th.

Foreign Minister Shevardnadze will attend the opening of the 40th United Nations General Assembly, will conduct bilateral talks with Secretary Shultz and will also meet with the President. This will be his first trip to the United States and the Soviets are deeply concerned about potential security incidents. We also anticipate that there will be a great deal of media interest in the visit. Foreign Minister Shevardnadze's predecessor, Mr. Gromyko, received Secret Service protection on similar visits in the past. The Secret Service has informally told us on the working level that they are willing to provide protection for Foreign Minister Shevardnadze.

In light of the importance of the trip, the meeting with the President and the high public profile of the visit, we believe that Secret Service protection is warranted. We ask that you convey our request for this coverage to the appropriate officials.

MEMORANDUM FOR MR. JOHN R. SIMPSON

SUBJECT: Secret Service Protection for Polish Prime
Minister Jaruzelski at the UNGA

The Polish Government has requested Secret Service protection, including the use of an armored vehicle, for General Wojciech Jaruzelski, during his visit to the U.S. to attend the 40th UNGA in New York, September 24-28. The State Department recommends, and we concur, that General Jaruzelski be accorded head of state treatment as the likelihood of demonstrations against the General during his stay is quite high. Although he is not formally the head of state, which is merely a ceremonial function in Poland, General Jaruzelski is First Secretary of the Polish United Workers (Communist) Party, Prime Minister and Chairman of the National Defense Council.

~~CONFIDENTIAL~~MEMORANDUM FOR ROBERT C. McFARLANE
THE WHITE HOUSESUBJECT: Secret Service Protection for Polish Prime

General Wojciech Jaruzelski plans to attend the Fortieth UNGA September 24-28. The Polish Government has requested head of state treatment for him, including the use of an armored vehicle. (See attached cables). Although Jaruzelski is not formally head of state, we believe that Secret Service protection for him is fully justified. As First Secretary of the Polish United Workers (Communist) Party, Prime Minister, and Chairman of the National Defense Council, General Jaruzelski clearly holds all the important reins of power. (The Chairman of the Council of the State, the head of state in Poland, performs a purely ceremonial function.) In view of Jaruzelski's role in crushing the independent trade union Solidarity, the likelihood of demonstrations against the General during his stay is high. We therefore request that General Jaruzelski be accorded Secret Service protection as befits a head of state.
