Don Gregg:

This memorandum looks fine to me, although I would hold final judgment until I see DoD's exposition on the "bad news" items in A1. Please send those by me, too.

General Schweitzer may have some thoughts on this topic, so I am sending a copy to him for comment directly to you.

April 27, 1981

MEMORANDUM FOR RICHARD V. ALLEN

FROM: DONALD GREGG *DD*
SUBJECT: ROK FMS Repayment Terms

The US government is trying to come up with one or more specific gestures to make at the Security Consultative Meeting to be held in San Francisco on 29-30 April, with ROK officials.

One hoped for gesture has run into a roadblock at the Treasury Department. State has been asking that the repayment terms on approximately \$100,000,000 of FY 81 FMS credits be extended from a two-year grace period with 6 1/2 year repayment period to a three-year grace period with 8 years to pay (interest rates are not an issue). This gesture would be most helpful to the ROK and would help us make good on President Reagan's pledge to President Chun that we would try to be helpful on economic and defense issues.

RECOMMENDATION:

That you call Assistant Secretary Mark Leland at Treasury (the roadblock) and urge him to extend the repayment periods as outlined above. Leland will say that the ROK does not need this sort of help as much as other countries. Your response can be that other countries do not have 40,000 US troops on the ground and that the economic development of the ROK is of prime importance to the stability of Northeast Asia. A call to Leland either today or tomorrow would be most helpful.

If we are not able to make this gesture to the Koreans on FMS repayment, we have very little to present to them at the SCM.
