OFFICE OF THE VICE PRESIDENT

WASHINGTON

13 August 1985

MEMORANDUM FOR: Admiral Holloway
Ambassador Peck

FROM: Burt Hutchings

Ricky Mooney is very favorably known to CIA (and to me from my posting in Canberra). He has a charge from Prime Minister Hawke to review U.S. and U.K. counterterrorism developments. I believe it would be worthwhile to have the Working Group officers meet with him, and perhaps for him to pay a courtesy call on the Executive Director and Deputy. His visit, if approved, would be reported to the highest levels of the Australian government and would, I believe, contribute to the excellent relationships that exist between our governments.

Burt
