SUBJECT:

U.S. Policies re the Soviet Union

Several IGs on U.S. policy re the Soviet Union are nearing completion of their efforts.

Because the policies adopted will affect U.S. relations not only with the Soviet Union, but with our allies, it is desirable that we all be aware of and contribute to the evolution of decisions soon to be made.

To this end, I believe it would be useful if we met informally to exchange information and ideas.

I suggest a brief meeting in Room 305 at 2:00 p.m. Monday, June 22, to review where we stand.

Attached for your interest are several papers that, while they are drafts, seem to be near final versions and thus, probably reflect current thinking reasonably accurately.
