FROM: JAMES S. ROSEBUSH

I. PURPOSE

To tape your participation in a television special produced by A. C. Lyles to be aired on NBC this Spring.

II. BACKGROUND

This hour long special is based on actual letters written to you by children all across the country. They have expressed interest in seeing Washington and understanding better how government works. In your conversation with the six young people, you will make reference to other areas of government that, during the hour long show, the children will visit.

III. PARTICIPANTS

Six children ranging in age from ten to twelve.

IV. PRESS PLAN

No Press coverage.

V. SEQUENCE OF EVENTS

Following your radio talk, the Oval Office will be lighted for the production. You will talk briefly with A. C. Lyles and meet the children. The taping actually begins when Kathy Osborne brings the young people into the office and asks them to introduce themselves to you. You invite them to the couch to sit down and the children will then begin asking the questions indicated in your prepared remarks. The taping session will conclude following your Q and A with the children.
