Re: Washington tour - May 11th to May 15th, 1988.

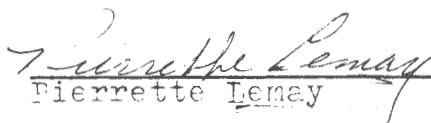

Dear Sir,

Just a short word to say we appreciated tremendously the gracious welcome extended to our small group: "Le Club des Relations Internationales" on our recent Washington tour. The information given us about the U.S. presidential elections and Free Trade Agreement between our two countries was most interesting.

Washington is a wonderful City -- Where else on the continent can one find cab drivers with College degrees and police officers with a Degree in psychology?

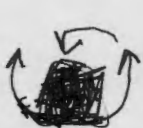

Hoping to reciprocate someday, feel at ease to contact us anytime you wish. Thanks again!

Amicalement vôtre,

Pierrette Lemay
