MRS. REAGAN: FILMEX SALUTE TO ELIZABETH TAYLOR

- Good evening to all of you in Los Angeles. And a special good evening to you, Liz. Everyone who knows Elizabeth Taylor agrees that meeting her is like opening a bottle of champagne. The result is sparkling and delightful.
- So I am very happy to serve as honorary chairman of this salute to Elizabeth. I also want to thank you for supporting FILMEX -- an organization which celebrates America's own art form -- the motion picture. The FILMEX cultural programs not only have contributed to understanding among nations but have also supported and encouraged the work of young American filmmakers.
- Tonight's tribute to Elizabeth Taylor provides us with an opportunity to reflect both on Elizabeth's extraordinary talent and on our own lives, which have been shaped by the "magic" of the movies. After all, where would we be without the movies, and where would the movies be without Elizabeth Taylor?
- Elizabeth, there is a leading man here who has asked me to send you his warm regards. Our hearts are with you tonight as you receive this honor and our very best wishes. Good night to you all and enjoy the show.
