THE WHITE HOUSE

WASHINGTON

April 28, 1988

Mrs. Reagan,

Attached is a listing of boxes that we have packed up to this date giving their present location. This is only a list of box numbers, for security purposes; your other list contains the listing of items in each box.

Yesterday I had both LeRoy Borden, from the White House Garage, and Dennis LeBlanc in to view the number of boxes that are currently packed and available for transport. We selected a total of eleven items to go with you on the plane tomorrow. On the attached list, the boxes being shipped (9, 10, 11, 12, 25, 55, 65, 66, 67, 68 & 75) are listed as being currently located at the LA Residence and the remaining boxes are here, in the third floor storage room.

I have given a copy of this list to Mr. Borden and he indicated that he will have the baggage handlers initial as they transfer the boxes to Dennis.

Each time we pack new boxes or send additional items to California, I will provide you with updated lists. All other lists may then be destroyed.
