Mr. Rex Scouten  
Chief Usher  
The White House  
Washington D C

Dear Rex -

Here is the furniture plan for the 20th.  
If everything arrives with the numbered  
tags intact we have it made.

The furniture marked "W.H." on the plans  
can be selected from storage. If there isn't  
time for that we can fake it out with what is  
already in the White House and change it  
later.

The two inventory lists are 98% correct as  
I feel there may have been some things added  
that I do not know about.

In haste,

William Haines inc.
