Dear President Reagan,

I certainly hope that you will be back in office soon. When I found out that you had been shot at as soon as I got home I ran to the television to find if you had been hurt. When I found out you had been hit I thought to when President Ford and Jackson had an attempt made on their lives. As I said I stayed up to see whether you would be o.k. when I heard you were alright I remembered this verse with your name filled in.

John 3:16

For God so loved the world that He gave his only begotten Son, that President Reagan believeth in him so he should not perish, but have Everlasting life.
