MEMORANDUM FOR DODIE LIVINGSTON

FROM:

MIKE McMANUS *more for*

This is to request a Presidential telegram for Donald J. Trump. Mr. Trump is hosting the Grand Opening of the Trump Tower on October 6th.

Trump Tower is a 60-story innovative development on 57th and 5th Avenues in New York. The first 30 stories will house businesses and shops from all over the world, and the last 30 stories will be private residences. The job opportunities through the construction of the development and through the businesses prove that the private sector can help and support the economy.

The Trump family have been long time supporters of the President. They were pioneers in the real estate field in the New York area and are active in civil and charitable organizations.

The Grand Opening of Trump Tower on October 6 is a dinner for 2,000 guests. The message can be sent to Donald J. Trump at the following address:

Trump Tower
725 5th Avenue
New York, New York 10021

I appreciate your assistance with this request.

Both Ivana and I would like to thank you for including us at the dinner in honor of the King of Saudi Arabia Monday evening. It was beautiful and exciting -- and we both enjoyed it enormously.

Needless to say, we are and always will be your two greatest fans and admirers.

Again, thank you for having us to dinner.

MEMORANDUM TO LINDA FALULKNER
MEMORANDUM TO LINDA FAULKNER

FROM: KATHY OSBORNE
SUBJECT: PHOTO FOR DONALD TRUMP

DATE: June 17, 1988

It was recently brought to my attention that in Donald Trump's latest book, there is a photo of the President and Mrs. Reagan (the one attached) and it is signed Reagan Reagan. It was obviously signed either in a rush or with a large batch, consequently the President meant to sign his full name but, instead, signed Reagan Reagan.

Since the initial photo was sent out of your office over Gahl's signature, would you mind sending this one to Donald Trump indicating that it is a corrected copy of the photo, initial one signed hurriedly and incorrectly, etc.

Thanks for your help.

Jane:

Please check with Mrs. Reagan for some guidance on the attached.

Donald Trump's latest book has the enclosed photo signed by the President and Mrs. Reagan.

They were obviously signing a bunch at the time because the President signed Reagan Reagan instead of Ronald Reagan. They didn't make mention of this fact in the book, however, I need to know if the Reagans want to send Donald Trump a corrected photo.

Thanks.

Kathy O.

I think it should be changed
