Dear Mr. President:

We at the WLAN FM-97 radio station are shocked and deeply concerned about the extremely perilous event which took place this week, causing endangerment to your life and great physical discomfort to you. In an attempt to convey our regret to you, we would ask that you please accept the accompanying scroll which contains our signatures and those of local citizens of Lancaster County who wish to be recognized as people who feel deep sorrow and respect for you.

We all anxiously await news, hoping that each new day will be more and more promising for you and your recovery and that you will be home again soon.

Respectfully Yours,
