Flowers & Prayers for President's recovery

THE LADIES OF THE SENATE

March 31, 1981

The President
George Washington University
Hospital
Washington, D.C.

Dear Mr. President:

The Ladies of the Senate want you to know the depth of our concern for you and the others who suffered injury in the line of duty yesterday. You gave all Americans a tremendous sense of pride by the manner in which you conducted yourself in the midst of a national, and very personal, crisis.

We pray that God will grant you and your family peace during this trying time.

Get well soon. America needs you.

Respectfully yours,

A handwritten signature in dark ink, appearing to read "Roe Jepsen". The signature is fluid and cursive, with a large initial "R" and a long, sweeping underline.
