Hon. Ronald Reagan
President of the United States
The White House
Washington, D.C. 20500

Dear President Reagan:

This is to advise that at the meeting of the Suffolk County Legislature held on November 10, 1981, the following motion on the Sense of the Legislature was taken and approved:

Memorializing Resolution Urging the Federal Government
to Review Permit Procedures Involving Federal Agencies.

The Clerk was requested to forward notification of this action to your office as soon as possible.

Very truly yours,

William H. Rogers
Clerk

Introduced by Legislator John Rosso

MEMORIALIZING RESOLUTION URGING THE
FEDERAL GOVERNMENT TO REVIEW PERMIT
PROCEDURES INVOLVING FEDERAL AGENCIES

WHEREAS, there has been substantial delay relative to the issuance of a permit to construct a revetment on the Great South Bay side of an area formerly and still currently referred to as the Moriches Breach; and

WHEREAS, there has been agreement among all the major agencies involved except one that the installation of a revetment would serve to stabilize and prevent further erosion of the breach fill on the Bay side and thereby lessen the clear and present danger to all residents on or near the Great South Bay who would suffer possible bodily harm and property damage from abnormal high tides as a result of a breakthrough of the former breach; and

WHEREAS, the unconditional installation of the proposed revetment is supported by the Brookhaven Town Board and Trustees; now, therefore be it

RESOLVED, that the Legislature of the County of Suffolk join with the Town of Brookhaven in encouraging our Federal legislators both in the United States Senate and United States House of Representatives to review the permit procedures currently in use as they relate to the involvement of Federal agencies toward the end of accomplishing the following:

- 1) Place a concrete time table for review and decision on all Federal agencies involved so as to avoid prolonged delay which only increases the cost that must be born by the taxpayer.
- 2) Make sure that no one Federal agency has veto power to stop or delay any project for an excessive period of time.
- 3) Streamline the permit format, making it clear, concise and understandable to the average person; and be it further

RESOLVED, that copies of this resolution be forwarded to:

Dear President Reagan:

At a Special Town Meeting held in the Town of Amherst on October 19, 1981 Town Meeting Members, by a tallied vote of YES 96, NO 43, passed the following RESOLUTION ON MILITARY SPENDING and directed the Town Clerk to send copies thereof to the President of the United States and representatives in both houses of Congress:

Whereas military spending is inherently inflationary, creating disposable income in return for the production of goods and services not generally available for purchase; and,

Whereas military spending requires a significantly greater capital investment per job created than any other sector of our economy save large-scale energy production; and,

Whereas military spending, directed primarily toward producers over whom no effective cost or productivity control has been exercised, distorts the allocation of material and human resources within our economy in an inflationary manner; and,

Whereas in recent times the failure of certain administrations either to raise taxes to pay for military spending and/or to impose wage, price, and credit controls (as was done during WW II and the Korean War) has led directly to greatly increased inflation; and,

Whereas the American public appears to favor, and the Congress has voted, significant reductions in federal taxes; and,

Whereas that same public appears unwilling to endure wage, price, and credit controls without the gravest of causes; and,

Whereas the existence of such grave causes is not now generally acknowledged; and,

Whereas reductions in non-military spending voted thus far by the 97th Congress will cruelly affect non-whites, the poor, women, and the elderly, and have been more than matched by authorized increases in military spending;

NOW, THEREFORE, BE IT RESOLVED that the Amherst Representative Town Meeting, by a vote of YES 96, NO 43, hereby calls upon the President of the United States and its representatives in both houses of Congress to cease their efforts to reduce the non-military components of the budget and to use every means at their disposal to reduce the military authorizations for the fiscal years 1982-1985 to levels consistent with the monies available from taxation.

Dear Mayor Brimmer:

I am replying to your letter and enclosed proclamation to President Reagan concerning human rights, especially in El Salvador. I regret that this response has been so long delayed.

This Administration is firmly committed to the promotion of human rights. Further, the procedure you recommended, that human rights considerations be a prerequisite to future foreign aid, already exists in the Foreign Assistance Act (Section 502B) which states that "a principal goal of the foreign policy of the United States is to promote the increased observance of internationally recognized human rights by all countries." For El Salvador, the law also requires a certification from the Administration that progress has been made in five areas: human rights, control of the military, economic reforms, elections, and the investigation into the murders of Americans in El Salvador.

As Department of State officials have testified, there is no doubt that the human rights situation is troubled and that the violations - by the left as well as by the right and the military - have been many. However, progress has been made. We cannot be satisfied until the killing has stopped, but we firmly believe the trend is positive. Thus, we have given the Congress the certification of progress in

Dear Mr. President:

I as Mayor of a small rural american community want to tell you that I support you in your ideas and efforts to bring America back to the country our founding fathers ment it to be. I know that it takes considerable courage to bring about changes that will go against the wishes of so many, but I believe as you do, that these changes are necessary to bring back a strong America.

I have enclosed a proclamation that I feel also touches on a very important aspect of american life. I ask that you take a moment from your busy schedule and consider human rights as a prerequisite to future foreign aid grants.

Thank you for your devotion to America and its citizens and may God give you courage and strength to continue.

Sincerely,

Frank R. Brimmer
Mayor
City of Independence, Iowa

PROCLAMATION

WHEREAS, the week of December 4th through December 11, 1981 is recognized as Human Rights Week; and

WHEREAS, Human Rights is the responsibility and concern of all human beings on the face of this earth and especially of all american citizens and more specifically the residents of the City of Independence, Iowa; and

WHEREAS, one year ago four American Missionaries were murdered in El Salvador; and

WHEREAS, to date no indictments have been brought against those responsible for these brutal killings; and

WHEREAS, evidence available indicates that several Salvadoran National Guardsmen are responsible for this senseless act; and

WHEREAS, twenty-five million dollars of U.S. military aid continues to support the repressive government responsible for these deaths; and

WHEREAS, I as a member of the Christian Community and a representative of local government urge that before future United States economic or military aid is granted, we must ensure that the human rights policies of foreign government recipients are consistant with those that we expect and demand of our own government;

NOW THEREFORE, I, Frank R. Brimmer, Mayor of Independence, Iowa, do hereby proclaim December 4th through December 11, 1981 as Human Rights Week in this city and ask all citizens to pray to God that the human rights movement extend to all corners of the earth and also urge all citizens of Independence to contact the President of the United States, our U.S. Senators and Congressmen and ask their participation in enacting legislation to further the cause of human rights to all corners of the earth and especially in El Salvador.

IATBAS/K

Honorable Richard L. Berkley
Mayor of Kansas City
Kansas City, Missouri 64106

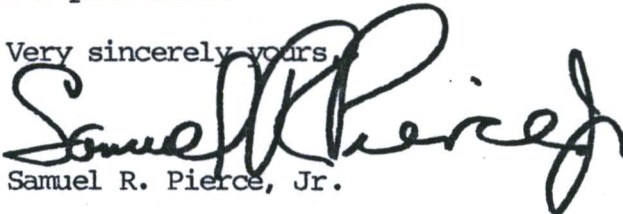

Dear Mayor Berkley:

Your letter of December 8, 1981 to President Reagan concerning the funding levels for the housing and community development programs of this Department has been forwarded to me for reply.

I am currently working closely with the President and the Office of Management and Budget to develop programs and funding levels which will reflect this Administration's goal of decent housing for Americans, as well as economically healthy cities. These budget decisions will be sent to Congress shortly. You may be sure that while the Administration strives to rebuild our economy, we will continue to work with States, cities, and the poor to ensure that an appropriate amount of Federal resources are used effectively and efficiently to address the community, economic, and housing problems of our cities and their truly needy residents.

I assure you our final decisions will be made only after careful consideration is given to all the views presented.

Very sincerely yours,

Mr. President:

Last week we learned that the Office of Management and Budget will recommend that two of the most effective urban programs, the Community Development Block Grant and Urban Development Action Grants, be phased out in the next two fiscal years. The City Council of Kansas City and I strongly oppose this recommendation. We immediately passed the enclosed resolution urging that you reject all proposals to cut further or eliminate the CDBG and the UDAG programs.

These two programs provide essential community improvement and economic development projects. They do so in block grant form and in a way that effectively enlists private enterprise in the solution of city problems.

We urge you to reject OMB's recommendation for a phase out of these two important programs and to fund them at their fully authorized levels.

Very sincerely yours,

THIS RESOLUTION ADOPTED
EFFECTIVE IMMEDIATELY

A RESOLUTION

URGING PRESIDENT REAGAN AND THE CONGRESS TO REJECT ALL PROPOSALS TO CUT FURTHER OR ELIMINATE THE CDBG AND THE UDAG PROGRAMS AND TO FUND THESE PROGRAMS AT THEIR FULLY AUTHORIZED LEVELS.

WHEREAS, the Community Development Block Grant and the Urban Development Action Grant programs have been very effective forms of Federal assistance to local governments for mobilizing resources and solving housing and community and economic development problems; and

WHEREAS, we are aware of proposals to eliminate these crucial programs as well as to reduce or eliminate other significant urban programs; and

WHEREAS, already enacted reductions in these programs and the elimination of other programs have drastically cut Federal assistance to cities at a time of great local need; and

WHEREAS, funding reductions for Fiscal Year 1981 and Fiscal Year 1982 have disproportionately affected urban programs; and

WHEREAS, we have also carefully determined priorities for such funding reductions and CDBG AND UDAG, as well as General Revenue Sharing, are among the highest priorities of the Nation's cities; and

WHEREAS, in this context, proposals to cut further or eliminate these necessary and important urban programs are irresponsible and unacceptable; NOW, THEREFORE,

BE IT RESOLVED BY THE COUNCIL OF KANSAS CITY:

That the City Council strongly urges the President and the Congress to reject any proposals to cut further or eliminate the CDBG AND UDAG programs and to fund these programs at their fully authorized levels.

Hon. John N. Erlenborn

Dear John:

I am enclosing a resolution passed by the DuPage County Board which I thought might interest you. It is the recognition of the fact that in the process of cutting governmental expenditures some of these cuts are going to affect DuPage County. We recognize that in the interest of solvency at the federal level we, along with many other governments, are going to have to swallow that bitter medicine.

Sincerely yours,

Jack T. Knuepfer

Enclosure - Resolution F-235-81

RESOLUTION

F-235-81

POSITION OF THE DU PAGE COUNTY BOARD ON FEDERAL EXPENDITURES

WHEREAS, it has become manifestly clear that, regardless of the best intentions of its proponents, massive federal spending over a period of five decades has enmeshed this country and its people in the oppression of rampant inflation, intolerably high interest rates, growing unemployment and other economic ills; and

WHEREAS, the DuPage County Board understands that it has itself been the recipient and beneficiary of federally funded programs, and

WHEREAS, the County Board shares the conviction that restoration of the economic health of this nation requires that the federal government drastically reduce its spending to come into accord with what its people can bear to pay in taxes;

NOW, THEREFORE, BE IT RESOLVED by the County Board of DuPage County that we encourage the national administration policy of achieving significant economies through reduction or elimination of categorical grant programs; and

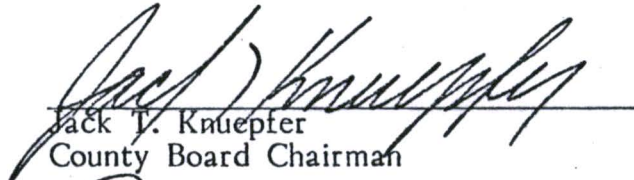

BE IT FURTHER RESOLVED that, notwithstanding our preferences for continuation of the present national administration policy, we recognize and accept our responsibility to share in the implementation of the difficult remedies which may be necessary to restore our country to a sound economy; and

BE IT FURTHER RESOLVED that, if the reduction of block grants and the elimination of categorical grants does not sufficiently reduce expenditures to bring the federal government's budget into balance, the federal revenue sharing programs be reduced for the greater welfare of the nation. The DuPage County Board will resolutely support the decision of Congress and the President and adjust its functions and responsibilities and strive for a higher level of efficiency in the delivery of county services to the people; and

BE IT FURTHER RESOLVED that we trust Congress and the administration to effect similar economies in the delivery of services it provides to the people of our nation.

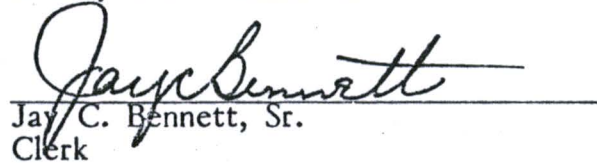

BE IT FURTHER RESOLVED that to assist local government to function within reduced revenues, Federal mandates be significantly revised or eliminated and any future mandates promulgated be with the concurrence of the local governments affected.

BE IT FURTHER RESOLVED that the County Clerk be instructed to send copies of this resolution to our United States Senators and Representatives, the President of the National Association of Counties and to the County Board.

Jack T. Knuepfer
County Board Chairman

RESOLUTION NUMBER 98

WHEREAS, Egypt's President Anwar Sadat was assassinated October 6, 1981, while on the reviewing stand during a military parade in Cairo, by assassins wearing army uniforms as part of said parade, and

WHEREAS, President Sadat was revered by peace loving nations and people world-wide, as a leading advocate and architect of peace among the nations and especially peoples of the middle east, and

WHEREAS, this assassination is being condemned by world leaders, President Ronald Reagan mournfully acknowledging that "America has lost a close friend (and) the world has lost a great statesman (who) was admired and loved by the people of America" further denouncing the shooting as "an act of infamy, cowardly infamy that fills us with horror."

NOW THEREFORE BE IT RESOLVED that this Honorable Board of Aldermen herewith adds its vigorous denunciation against the deplorable assassination of President Sadat and the killing of seven others at the scene, and is deeply disturbed at the turn toward physical violence that has become too prevalent among men and nations, and hopes that the loss of this Leader of Peace may awaken men and nations to the uselessness of such evil and murderous tactics and that two copies hereof be forwarded to President Reagan for such further forwarding as the U. S. State Department might consider appropriate.

RESOLUTION NUMBER 96

WHEREAS, the United States House of Representatives on October 5, 1981, overwhelmingly approved an indefinite extension, time-wise, of the 1965 Voting Rights Act, and

WHEREAS, the 389-24 vote sent the extension to the U.S. Senate where, according to press reports "...a much tougher fight is expected on legislation described by supporters as the most successful civil rights law ever enacted." and

WHEREAS, beginning in 1984, all or parts of the 22 states now required to clear with the U. S. Department of Justice every time a voting rule or law is changed, will be privileged to seek freedom from such requirement if they can demonstrate that they no longer discriminate against blacks and other minorities.

NOW THEREFORE BE IT RESOLVED that this Honorable Board of Aldermen herewith applauds the action of the House of Representatives as in line with achieving a realized democracy, where rights and privileges are accorded and enjoyed by all entitled persons regardless of arbitrary and improper acts heretofore engaged by some voting officials in some states, and calls upon the United States Senate to approve the extension, that it be signed by the President and that copies hereof be forwarded to the Clerks of the House of Representatives and the Senate, to Missouri Senators Thomas F. Dear Mr. President:

The Town of Brookline, Massachusetts, at a Special Town Meeting held on November 17, 1981, voted by a substantial majority, the following resolution:

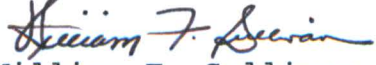

Voted: To adopt the following Resolution:

Resolved: The Town of Brookline instructs its elected representatives in The Congress of the United States to endorse, and the President of the United States to propose, that the United States and the Soviet Union should immediately and jointly stop the nuclear arms race. Specifically, they should adopt an immediate, mutual freeze on all further testing, production, and deployment of nuclear weapons and of missiles and new aircraft designed primarily to deliver nuclear weapons.

Be It Also Resolved: That a copy of this Resolution be transmitted forthwith by the Clerk of the Town of Brookline to the President of the United States, and the Members of the Massachusetts Congressional Delegation.

In my official capacity as Town Clerk of the Town of Brookline, Massachusetts, I am complying with the request of the Town Meeting by forwarding this Resolution to you.

RESOLUTION STATING THE OPPOSITION OF THE COLUMBIA COUNTY BOARD OF SUPERVISORS TO THE ADDITIONAL LOCAL ASSISTANCE IN HUMAN SERVICES CUTBACK IN THE F.Y. 1982 FEDERAL BUDGET.

WHEREAS, County Governments are responsible for and are primary deliverers of services to the poor, the elderly, the sick, the unemployed, the handicapped and other socioeconomically disadvantaged persons,

WHEREAS, this responsibility carries with it the obvious and considerable burden of funding resources and financing, but these services are to be adequate and effective, and

WHEREAS, the Federal partnership developed over the past twenty years has created an appropriate and effective financial and policy role for the deliverers at the Federal, State and Local level, and

WHEREAS, recent actions by the Federal Government have resulted in drastic cutbacks in the availability of funding for programs which are frequently and continually demonstrating their effectiveness in dealing with the needs of the above-mentioned groups, and

WHEREAS, these cutbacks can only result in a larger financial burden of the local property tax level, and

WHEREAS, the only local alternative to higher tax rate on property tax payers is the elimination of the Central Services to those most in need;

RESOLUTION

TO AID THE FUEL AND AUTOMOBILE INDUSTRIES

WHEREAS: America needs to be less dependent on foreign fuel and have a greater independence over the usefulness of her own fuel resources, and

WHEREAS: Greater sales of fuel efficient cars would improve our independence in this area, and

WHEREAS: The high sales of foreign built cars has had a damaging effect on the American automobile worker, and

WHEREAS: Steel and other materials that go into the American automobile and are purchased from foreign sources have had damaging effects on these industries and

WHEREAS: Greater sales of American built fuel efficient cars would improve the condition of our sagging economy and our independence on our own fuel resources, and

WHEREAS: A federal income tax deduction for the purchase of an American built fuel efficient car would entice buyers away from the foreign imports, help our sagging economy in the auto industry and allow us to be less dependent on foreign fuel.

NOW, THEREFORE, BE IT RESOLVED, that the City Council for the City of Flat Rock does hereby implore the federal government TO give a one year credit on federal income taxes to the taxpayers of this great nation who purchase an American built fuel efficient car as an incentive to help the American economy. (i.e. the purchaser of a 100% American made fuel efficient car would receive a tax credit equal to the purchase price of the automobile. The purchaser of a car built of 75% American products would get a credit of 75% of the purchase price, etc.)

BE IT FURTHER RESOLVED that copies of this Resolution be sent to the President of the United States, Congressman William D. Ford, Senators Levin and Reigle and to the surrounding communities in Wayne County.

NORMAN F. KOSZUTA, CITY CLERK

I, Norman F. Koszuta, City Clerk for the City of FlatRock do hereby certify the foregoing to be a true copy of a Resolution adopted by the City Council at a regular meeting held on the 21st. day of December, 1981.

Dear Mr. Shepherd:

During my first year in office, I have learned that the effort to reduce the rate of growth in Federal spending is one of the greatest challenges facing our government. I cannot tell you how grateful I am for the support of those who are assisting these endeavors at the local level.

The spirit that built our nation to greatness was one of friends helping each other in support of the needs of the community. Our agenda for national renewal includes a major attempt to revive this spirit by reducing the tasks that we have allowed to drift to the national government and increasing the initiatives that come directly from our people.

The resolution adopted by the Minnehaha County Commission is in keeping with these efforts to control Federal spending and to encourage the development of new approaches to old problems through the private sector. I appreciate these actions very much.

With my best wishes,

Sincerely,

RONALD REAGAN A

Minnehaha County Resolution

Introduced by Commissioner Richard D. Flynn, liason to Minnehaha County Employment and Training Administration.

A RESOLUTION, that Minnehaha County intends to leave unexpended and unobligated \$112,496 of the Comprehensive Employment and Training Act allocation for Fiscal Year 1982.

BE IT RESOLVED, that Minnehaha County, State of South Dakota,

WHEREAS, Minnehaha County, is a Prime Sponsor of the Comprehensive Employment and Training Act, and

WHEREAS, Minnehaha County is committed to the policy of elimination of unnecessary expenditure of public monies for administrative or operative programs, and

WHEREAS, Minnehaha County has reorganized and redesigned its Comprehensive Employment and Training Program to be more cost effective in delivery of services to economically disadvantaged participants, and

WHEREAS, Minnehaha County proposes to administer the Comprehensive Employment and Training Program, in Fiscal Year 1982, expending \$99,515 from an allowable Administrative Cost Pool contribution of \$188,063 (assuming present planned levels of allocation for Title II A, B, C, IV A, C, VII) and

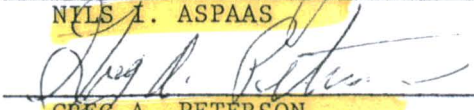

WHEREAS, Minnehaha County proposes to operate a Private Sector Initiatives Program (Title VII, in Fiscal Year 1982) expending \$125,000 from an available \$148,948,

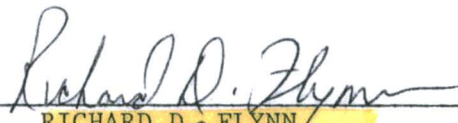

NOW, THEREFORE, BE IT RESOLVED, that Minnehaha County intends to leave \$112,496 unexpended and unobligated in these last two program subparts of Administration and Private Sector Initiatives Program, to demonstrate support for the efforts of the President of the United States of America to control federal spending and decrease the federal budget deficit, and in taking this leadership, Minnehaha County challenges other prime sponsors across the country to join this effort of support for the president.

BE IT FURTHER RESOLVED, that copies of this resolution be submitted to the President of the United States of America, the Secretary of the United States Department of Labor and the United States congressional delegation from South Dakota.

March 22, 1982

Dear Mayor Deming:

President Reagan was pleased to learn of the proclamation you issued designating January 4, 1982, as Solidarity Day. By demonstrating our solidarity with people around the world committed to freedom, we have let it be known that the light of freedom is not going to be extinguished. Freedom is, and always must be, our most treasured possession.

As you may know, the President issued a proclamation as well, designating January 30, 1982, as Solidarity Day in the United States. I am happy to enclose a copy of that proclamation for your information. President Reagan is grateful to you and to the citizens of the City of Genoa for your strong stand in the defense of liberty.

With the President's best wishes,

Sincerely,

The Honorable
President Ronald Reagan
The White House
Washington, D.C. 20050

Dear President Reagan:

Believing that a message should be sent to the people of Poland and to the military junta which is attempting to subjugate them, the people of the City of Genoa, Illinois, desire to express support for your Polish policy.

To this end, 4 January 1982 was commemorated in Genoa, Illinois, as Solidarity Day with appropriate observances. This proclamation with attending signatures is our means of involvement in what we consider a grave breach of freedom. Hopefully, the brave spirit of freedom will survive in Poland.

Grace and peace,

Clair Deming

Dear Mayor Olea:

On behalf of President Reagan, I want to thank you for sending a copy of your proclamation regarding the establishment of a special day commemorating Dr. Martin Luther King, Jr. His memory is a source of inspiration to millions of Americans.

As you know, to establish a holiday in honor of Dr. King, Congress and the legislatures of the states choosing to honor him would have to enact appropriate legislation. Should Congress adopt such legislation, I assure you that it would receive the President's most careful consideration.

With the President's best wishes,

Sincerely,

"IN SUPPORT OF JANUARY 15 AS DR. MARTIN LUTHER KING, JR. DAY"

WHEREAS, Dr. Martin Luther King, Jr. dedicated his life to advancing the goals of freedom, equality, and social justice; and

WHEREAS, the leadership he gave to the civil rights movement resulted in some of the most sweeping civil rights legislation in the history of the country; and

WHEREAS, outstanding individuals from civic, political, and the entertainment fields have come together to seek recognition of January 15, Dr. King's birthday, as a national holiday; and

WHEREAS, the State of California along with seventeen other states presently observe January 15 as a State holiday; and

WHEREAS, all Seaside City employees will be granted January 15 as a City holiday.

NOW, THEREFORE, I, Glenn Olea, Mayor of the City of Seaside, in the County of Monterey, State of California, in recognition of the outstanding work of Dr. King and the many who stood with him for their principles, and in hope that his example will inspire us all to strive toward the goal of social justice in our City and the country, declare January 15 as:

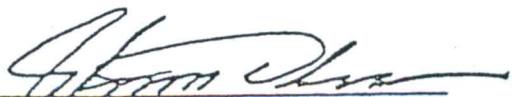

"DR. MARTIN LUTHER KING, JR. DAY"

in the City of Seaside and express support of legislative efforts to establish January 15 as a national holiday.

I FURTHER ask that the City Clerk transmit a copy of this Proclamation to the President of the United States, United States Senators Alan Cranston and S. I. Hayakawa, and United States Congressman Leon Panetta.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the official seal of the City of Seaside, in Monterey County, State of California, this 8th day of January, 1982.

Dear Mayor Wisnieski:

I have been asked to respond to your January 15, 1982, letter to the President enclosing a certified copy of your city's resolution opposing immediate decontrol of natural gas prices.

The Administration is committed to a policy of getting the Government out of the business of regulating the wellhead price of natural gas. We believe it is essential for the Nation to return to the use of the free market to set prices and allocate supplies of our domestic energy resources.

As you know, the Department of Energy has recently released a report ("A Study of Alternatives to the Natural Gas Policy Act of 1978") assessing the adequacy of the Natural Gas Policy Act of 1978 (NGPA). The study found that the NGPA is unlikely to fulfill the congressional intent underlying its enactment in three ways. First, the NGPA is unlikely to yield a smooth transition to partial decontrol in 1985. Second, the NGPA is likely to disrupt the U.S. gas market. And third, the NGPA is unlikely to capture the benefits of old regulated gas for consumers. The completed study presents a range of proposals to correct the deficiencies of the NGPA, and the President has taken the issue under advisement.

I would note that the major options under consideration do not include immediate deregulation, but rather take a phased approach to decontrol to avoid the abrupt price increases to consumers anticipated under current law. Many of the impacts cited in your resolution are substantially mitigated by a phased approach to decontrol.

Finally, our study concluded that failure to address the deficiencies of the NGPA before 1985 could lead to an extension of price controls. Such an extension could cause a return to the shortage of natural gas seen in the 1970's when the Midwest was

particularly hard hit. Industrial gas users in the Midwest are likely to consider relocation if gas is unavailable. The fact that the major industrial user groups favor phased decontrol suggests that they may be willing to pay a higher price for gas if they are assured of an adequate supply.

Thank you for your views on this issue.

Sincerely,

Re: Deregulation of Natural Gas

Dear Mr. President:

Enclosed please find a certified copy of the resolution of the Council of the City of Independence, Ohio, expressing our absolute and unequivocal opposition to the proposed immediate and total deregulation of interstate sales of natural gas. We request that this resolution be made a part of the public record in any deregulation hearings or proceedings.

More importantly, we urge that you take all possible immediate action to halt any further state or federal consideration of such deregulation. In these very difficult economic times, businesses, governments and individuals must all make major economies merely to survive. Particularly in States like Ohio, which are heavily dependent upon natural gas not only for home heating but also for industrial, commercial and governmental services, the dramatic increase in consumer prices which would result from such deregulation would be devastating. The gas companies, instead of seeking such huge additional increases, must instead learn to live with less. We accordingly urge your immediate action to assure that no such deregulation takes place.

Very truly yours,

Winfred Wisniewski

RESOLUTION NO. 1981-108

INTRODUCED BY: MAYOR WISNIESKI, COUNCILMEN COOKE, JARZEN, KOTABISH,
NICASTRO, ZARUBA, ZUBER

A RESOLUTION
IN OPPOSITION TO IMMEDIATE
DEREGULATION OF NATURAL GAS

WHEREAS, it is widely reported that the Administration of President Ronald Reagan is proposing the immediate and total deregulation of interstate sales of natural gas to the Congress of the United States; and

WHEREAS, the Natural Gas Policy Act of 1978 (NGPA) provides for the gradual deregulation of natural gas in a manner intended to ease the burden on residential customers of such a transition; and

WHEREAS, the American Gas Association has calculated that residential natural gas bills would double in the next year if the wellhead price of natural gas were deregulated in the fall of 1981; and

WHEREAS, experts have predicted that the oil and gas industry would receive a \$10 billion windfall during 1981 alone under immediate deregulation; and

WHEREAS, the Energy Action Foundation has identified the cost to industrial users of natural gas nationwide as an additional \$237 billion during the next five years under immediate deregulation; and

WHEREAS, a U.S. Department of Energy analysis has estimated that the overall inflation rate would increase 2.4% and the unemployment rate would increase .7% during the first full year of complete deregulation; and

WHEREAS, most natural gas used in Ohio by both residential and industrial consumers is supplied by interstate pipelines from wells in other states so that the increase in purchased gas costs flows primarily to pipelines and producers outside of Ohio; and

WHEREAS, even under the NGPA phased deregulation approximately \$15 billion will be paid by Ohioans for gas costs to out-of-state suppliers during the next five years; and

WHEREAS, costs to agriculture for fertilizer and grain drying are directly related to the cost of natural gas; and

WHEREAS, the U.S. Department of Commerce has stated that the cost of natural gas for ammonia feedstock has risen 250% in the past six years; and

WHEREAS, increases in natural gas prices will lead to fuel switching by industries with a resulting increased dependence on imported oil; and

WHEREAS, increased costs for natural gas will result in less investment capital available to Ohio industries and thus a continued or increased loss of employment in Ohio; and

WHEREAS, the automobile, steel, glass and clay industries, which are major Cuyahoga County and Ohio industrial employers, are among the industries most dependent on natural gas, and thus the most likely to be forced to relocate to Sunbelt states; and

WHEREAS, gas production will not be improved more by immediate deregulation, because of the declines in use that would result; and

WHEREAS, the proposed immediate and total deregulation would thus increase the burden, including the inflationary burden presently borne by the residents, businesses, industries, governmental bodies, and all others who use natural gas in the City of Independence and other communities throughout Northeastern Ohio and would be a particular hardship on senior citizens and other individuals on fixed incomes;

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Independence, State of Ohio; that:

Section 1. The Council of the City of Independence, Ohio is absolutely and unequivocally opposed to the proposed immediate and total deregulation of interstate sales of natural gas.

Section 2. Council urges other affected municipalities to adopt Resolutions opposing the proposed immediate and total deregulation of natural gas.

Section 3. The Clerk of Council be and hereby is authorized and directed to forward a copy of this Resolution to the President of the United States, Governor James A. Rhodes, the Federal Energy Regulatory Commission, the Public Utilities Commission of Ohio, and other municipalities within Cuyahoga County.

Section 4. This Resolution is hereby declared to be an emergency measure immediately necessary for the protection of the public peace, health, safety and welfare of the citizens of Independence by reason of the immediate necessity of opposing the proposed deregulation of natural gas before action is taken by the Federal government regarding same. Wherefore, this Resolution shall take effect immediately upon its passage and approval by the Mayor.

RESOLUTION NO. 81- 72

BY: Jeffrey H. Friedman

A RESOLUTION EXPRESSING OPPOSITION TO CONSIDERATION OF AREAS IN NORTHEASTERN OHIO AS STORAGE FACILITIES FOR RADIO-ACTIVE NUCLEAR WASTES DUE TO POTENTIAL AND EXTREME ENVIRONMENTAL AND ECOLOGICAL HAZARDS.

WHEREAS, it has come to the attention of the Mayor and Council of the City of University Heights, Ohio, through the Cuyahoga County Mayors and City Managers Association, the Board of the Northeast Ohio Areawide Coordinating Agency, and numerous other organizations and boards currently monitoring potential environmental dangers, and

WHEREAS, the uncertainty of the exact properties of nuclear wastes and its long-term impact upon the environment and the ecology indicate the gravest possible detrimental effects upon human life, as well as the environment, are possible, and

WHEREAS, the potential danger of nuclear waste to human and environmental life decreases in accordance with a scientific principle known as the "half-life" of the elements, which in regard to nuclear wastes may exceed two hundred thousand years, and

WHEREAS, there is minimal experience with the disposal of nuclear wastes in the United States although experience indicates that atomic waste storage has been banned in the State of Minnesota, prohibited from storage in Louisiana salt domes, placed under legislative control in the State of Vermont and are subject to a one-year moratorium on storage in New Mexico, and

WHEREAS, such experience indicates that it would be extremely dangerous to store nuclear wastes in the northeast region of Ohio which constitutes the most heavily populated area of the state as well as one of the more highly populated sections of the United States, and

WHEREAS, studies made by various agencies do not adequately consider the potential danger of locating such a depository near a highly urbanized area; and

WHEREAS, existing scientific research indicates that many serious problems are associated with the handling and disposal of nuclear wastes; and

WHEREAS, the storage of nuclear wastes in Northeast Ohio is considered to be highly dangerous to the health and welfare of the residents in densely populated Northeast Ohio; and

WHEREAS, State Senator John Timothy McCormack has introduced a Resolution in the 112th General Assembly of Ohio calling upon Governor Rhodes and members of his administration to immediately cease all consideration of storage facilities for radioactive nuclear wastes in Ohio, and

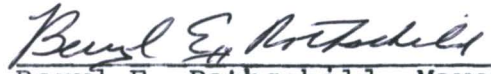

WHEREAS, the City of University Heights desires to support such a Resolution and, further, desires to achieve the result of prohibiting nuclear waste in storage in Ohio.

NOW THEREFORE, BE IT RESOLVED BY THE CITY OF UNIVERSITY HEIGHTS, OHIO, THAT:

RESOLUTION: 81-72

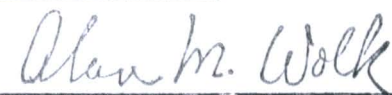

Section 1: The City of University Heights registers its support of Senate Joint Resolution No. 32 introduced by Mr. McCormack in the 112th General Assembly and further call upon Governor James A. Rhodes, the Ohio Department of Energy, the Nuclear Regulatory Commission to cease all studies of Ohio locations for nuclear waste storage and to cease all negotiations which would lead to the establishment of nuclear waste storage facilities in Ohio due to the extreme uncertainty and potential danger to life, the environment, and the ecology of Ohio.

Section 2: The Mayor of the City of University Heights is hereby directed to forward copies of this Resolution to the President of the United States; the Governor of the State of Ohio; the Secretary of the Department of Energy of the United States; the Director of the Ohio Department of Energy; Congressmen Dennis Eckert, Mary Rose Okar, Louis Stokes, and Ronald Mottl; Senators Ben Skall and John Timothy McCormack; and State Representatives Lee Fisher and Mary Boyle.

RESOLUTION

Urging Continuation of Community Development Block Grant Program

WHEREAS, the federal government in order to reduce inflation and improve the economy is working toward an overall reduction in the growth of federal spending; and,

WHEREAS, the General Revenue Sharing, the Community Development Block Grant, and the Urban Development Action Grant programs have been very effective forms of federal assistance to local governments, which have enabled cities to build their tax basis, and mobilize resources to address housing, community and economic development needs; and,

WHEREAS, in order to further reduce federal spending, proposals are being made and considered to reduce, phase out and eventually eliminate these crucial programs; and,

WHEREAS, the City of Columbia anticipates an estimated 18% reduction for FY 82 in Community Development Block Grant funds and Congress has enacted a 12% reduction in the Urban Development Action Grant program; and,

WHEREAS, federal programs of assistance to state and local governments constitute only 14% of the federal budget, but have accounted for more than one-third of the budget reduction enacted to date, the result of which cities have borne a disproportionate share of the budget reduction burdens;

NOW, THEREFORE, BE IT RESOLVED that the City of Columbia urges the President and Congress to continue progress toward a balanced budget in ways that assure an equal distribution of the pain of the transition among various sectors of the economy; and,

BE IT FURTHER RESOLVED, that the City of Columbia urges the President and the Congress to recognize the effectiveness and importance of the General Revenue Sharing, Community Development Block Grant and Urban Development Action Grant programs, and the high priority that cities place on their continuation by providing full funding for these programs in the federal budget for FY 83 and 84.

Dear Mr. President:

Please find enclosed resolutions that were unanimously adopted by the Jefferson County Council of Mayors and the City Council of the City of Festus.

May I say that we support your administration in it's efforts to stem inflation and stabilize the economy. Needless to say, this is long overdue and being such a monumental task, the methods used will be very controversial to attain the ultimate goal.

The concept of cutting federal taxes with local entities increasing their taxing efforts to makeup the shortfall cannot work in our state, as we are limited by constitutional provisions and statutory limits. For that reason, we strongly support the General Revenue Sharing Program.

May we wish for you, your family, and your administration, a very happy holiday season and the new year be one of the very best for you. Thank you.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF FESTUS, MISSOURI
OPPOSING THE CURRENT PROPOSAL TO REDUCE GENERAL REVENUE SHARING
IN 1981-82 AND ABOLISHMENT OF THE GENERAL REVENUE SHARING PROGRAM
IN 1983

- WHEREAS, the primary problem of our country is inflation; and,
- WHEREAS, the Administration of President Ronald Reagan is making a concerted effort to stem inflation by balancing the federal budget; and,
- WHEREAS, local service delivery depends on the effective and appropriate use of federal and state-local monetary partnership; and,

WHEREAS, Jefferson County, Alabama has been an active participant in the Community Development Block Grant program since its inception; and

WHEREAS, the Jefferson County program includes service to 29 local municipalities and to all unincorporated areas of the County for a total population of 332,000; and

WHEREAS, over the past seven years, this consortium of Jefferson County and its participating municipalities has received \$29,838,000 in Community Development funds aimed at improving the quality of life, with particular emphasis on those families with low or moderate incomes, expanding economic opportunities, removing unsafe or blighting influences and upgrading the communities and neighborhoods of Jefferson County; and

WHEREAS, in conjunction with the federal general revenue sharing program, participation in the Community Development Block Grant program in Jefferson County has made possible the extension of over 600 miles of water lines serving more than 20,000 people; the extension of over 60 miles of sanitary sewer lines benefitting some 17,500 people; the rehabilitation of existing sanitary sewer lines in seven municipalities; the construction or improvement of seven neighborhood recreational and community buildings; the rehabilitation of more than 2,000 owner-occupied housing units providing homes for some 7,000 people; the revitalization of 22 separate neighborhoods in the County, as well as various other improvements, such as replacement of hazardous bridges, renovation and preservation of historical structures, improvements to storm drainage and flooding problems and improvements to facilities involved in health care; and

WHEREAS, Jefferson County has used all these funds in a sensible and businesslike manner and during the first six years of the program, every dollar of Community Development money spent on a project generated one additional dollar of private or other public money, thus injecting an additional \$15,000,000 into the local economy; and

WHEREAS, the Community Development Block Grant program is an "action-oriented" program which enjoys an outstanding record of achievement nationwide and places highest priority on the implementation of needed projects in cities and counties all across the country; and

WHEREAS, eligible activities under this program have recently been expanded to compensate for the loss of other federal programs, thus increasing the importance and credibility of the Community Development program; and

WHEREAS, this block grant program provides a necessary means of returning tax funds to local communities, a major component of the Reagan administration's economic revitalization plan and, further, this program represents a model of federal grant efficiency for the administration to use in its attempts to streamline the federal bureaucracy and reduce unnecessary and wasteful spending; and

WHEREAS, recent proposals by members of the Reagan administration to eliminate funding for the Community Development program would have a drastic and harmful impact on the citizens of our county; and

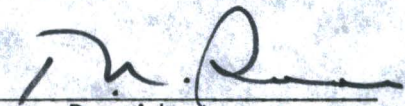

WHEREAS, such proposals by the Reagan administration contradict the very intergovernmental and economic philosophy of that administration, that being that the most efficient and effective method of providing local government assistance is in the block grant approach.

NOW, THEREFORE, BE IT RESOLVED by the Jefferson County Commission that the said Commission does hereby express its support for the Community Development Block Grant program for counties and cities all across America, and that the said Commission urges the President of the United States, members of his administration and members of the U. S. Congress to closely examine the Community Development program for its intent, its performance and its achievements, and to remember their own philosophy on federal grant assistance with which this program conforms and to resist and reject any and all further reductions and any attempts to eliminate the Community Development program.

BE IT FURTHER RESOLVED that the Minute Clerk of said Jefferson County Commission is hereby instructed to forward copies of this resolution to the President of the United States, to the Secretary of the Department of Housing and Urban Development and to members of the U. S. Congress.

Signed at the Jefferson County Courthouse in Birmingham, Alabama this the eighth day of December, nineteen hundred and eighty-one.
