Dear George:

I am delighted to be serving as Honorary Chairman of the 1984 National Award Dinner.

This year's award recipients are very deserving individuals whose leadership and personal examples of excellence have set a fine standard for all of us. Former President Gerald Ford, John McGillicuddy, and Sonny Werblin have made important contributions to the national physical fitness and sports program.

Please express my appreciation to those who have helped make this event possible and especially to Donald Trump, who has given so generously of his time and resources.

Nancy joins me in sending best wishes to all who gather for this dinner. May this be a most enjoyable and successful evening for everyone.

Sincerely,

A
RONALD REAGAN
