Biography

Biography

Robert Reilly was detailed to the White House Office of Public Liaison from the United States Information Agency (USIA). He began work at the White House in October 1983 and was later promoted to an Associate Director in January 1984. He was again promoted to Special Assistant to the President in March 1984. He left the White House in November 1985

Scope and Content Note

The Reilly collection is arranged into four series: SERIES I: Correspondence, 1984-1985; SERIES II: Subject File; SERIES III: Events; SERIES IV: Central American Outreach Working Group.

The correspondence series is an alpha-chronological series of material dated 1984-1985. The subject series contains mostly material regarding Catholic outreach, with some additional issues. Some subject series material originated with Jack Burgess, who worked in the Public Liaison office from 1981 to 1983. The Central American Outreach Working Group series contains meeting material from May 16, 1983-May 1, 1985. The earlier meetings in this series were maintained by Morton Blackwell at the Office of Public Liaison. The Reagan Library has transferred these meetings so one series contains the full scope for this Working Group. Reilly succeeded Mr. Blackwell on the Public Liaison staff.
