SCHEDULE PROPOSAL

March 17, 1988

TO: FREDERICK J. RYAN, JR., DIRECTOR OF
PRESIDENTIAL APPOINTMENTS AND SCHEDULING

FROM: *Rebecca* REBECCA RANGE, DEPUTY ASSISTANT TO THE
PRESIDENT AND DIRECTOR OF THE OFFICE OF
PUBLIC LIAISON

REQUEST: Presidential participation or Presidential
Video-Taped Message for the Polish Scouting
Organization's World Jamboree

PURPOSE: To solidify Polish American support for this
Administration and the GOP.

BACKGROUND: The Polish American community, representing
one of the largest ethnic groups in the U.S.,
will hold its World Scouting Jamboree in
August. In the past, such dignitaries as
Pierre Trudeau, and His Holiness, Pope John
Paul II have addressed the event. This year
the event will take place two weeks after the
Republican convention. It may be an
opportune time for the President to show
support for the Republican candidate to the
large Polish American community.

REQUEST: To address scientists working on SDI
projects.

PURPOSE: To build public support for the SDI program.

BACKGROUND: In the five years since the President
announced the inception of the SDI program
there has been greater than expected progress
in developing a defense against nuclear
missiles. However, progress in the future
may be much slower due to Congress' cutting
Administration budget requests. It is
essential at this time to increase awareness
of SDI's achievements and counter threats to
the viability of the program now coming from
Capitol Hill. A speech to scientists who are
working on SDI projects would be a perfect
opportunity to make this case, and would
provide inspiration to those working on the
project.

of America's premier success stories, with
Italian-Americans having incomes and
education much higher than that of the
average citizen.

FROM: REBECCA RANGE, DEPUTY ASSISTANT TO THE
PRESIDENT AND DIRECTOR OF PUBLIC LIAISON

PROPOSAL: The President to host Captive Nations Day
Proclamation Signing Ceremony at the White
House

PURPOSE: To commemorate Captive Nations Day, 1988 and

supported the President's defense and foreign
policies, especially SDI and Central America.

BACKGROUND: Public law 86-90 designates the third week in
July as Captive Nations Week and directs the
President to issue a proclamation on this
occasion. This annual event provides an
excellent opportunity for the President to
bring public attention to the Soviet Union's
domination of East Europe, Southeast Asia,
Cuba and Afghanistan.

The President's past annual participation at
Captive Nations Day events has been a very
important symbol of recognition to Americans
of East European, Southeast Asian and Cuban
background. These groups, which represent
the captive nations of the world, anticipate
the President's continued endorsement of this
annual event.

the 3300th year since the Ten
Commandments were transmitted by God

 PRESIDENTIAL APPOINTMENTS AND SCHEDULING

Please provide your recommendation on the following scheduling request:

EVENT: Photo opportunity with the President so he can reiterate his support on behalf of MAGEN DAVID ADOM recognition by and admission to the International Red Cross.

MAX GREEN'S COMMENTS:

December 12, 1986

THE WHITE HOUSE
WASHINGTON

The Red Cross has changed its name to "The International Red Cross and Red Crescent movement" but has refused to admit Magen David Adom. The purpose of the refusal is clearly to deny Israel legitimacy in the family of nations. The President has protested this discrimination in the past and the name change is good reason for his reiterating his position.
