MEMORANDUM FOR RICHARD V. ALLEN

FROM: PAULA DOBRIANSKY (P)

SUBJECT: Proposed Meeting with Hungarian Minister of Foreign Trade Veress

The Department of Commerce called to inform me that the Hungarian Minister of Foreign Trade Peter Veress will be in Washington, D.C., November 16-18. He is already scheduled to meet with Secretary of Commerce Baldrige, ~~Assistant~~ Secretary of State Clark, Assistant Secretary of Commerce Morris, Secretary of Agriculture Block, and members of the Joint Trade Committees on the Hill. Both Commerce and State have suggested that you meet briefly with Veress. (U)

Given this visitor's background, it is unlikely political issues would be discussed. Instead, a meeting with Veress would have primarily symbolic value for it would underscore the importance we attach to those developments that have been made in U.S.-Hungarian relations. I do not deem the suggested meeting as critical. As your schedule is quite busy, I would recommend against it. (C)

RECOMMENDATION

That you not meet with the Hungarian Minister of Foreign Trade.

BIOGRAPHY - Dr. Vencel Hazi

Hungarian People's Republic

Hazi has served as the Deputy Minister of Foreign Affairs since 1976. He has over thirty years of foreign service experience, and he has been Ambassador to five countries. His last overseas posting was as Hungarian Ambassador to the United Kingdom from 1970-1976.

At the present time, Hazi is responsible for Near Eastern and Far Eastern matters in the Hungarian Ministry of Foreign Affairs (MFA). Prior to his six years as Ambassador in London, he also served as Deputy Minister for Foreign Affairs from 1968-1970, during which time he was head of the Hungarian delegation to the 1969 United Nations General Assembly. From 1964-1968, he was in charge of Western European/North American Affairs in the MFA with the rank of Ambassador. He served as Hungarian Ambassador to Greece with formal accreditation, also to Cyprus from 1961-1964. Between 1958-1961, he served as Ambassador to Iraq with similar duties for Afghanistan. Previous diplomatic tours included Stockholm (1957-1958) and London (1951-1953).

Hazi's selection as the Hungarian representative to the United States is a clear indication of the importance which that government attaches to its relationship with the United States. His many responsible assignments and his prestigious career within the Ministry of Foreign Affairs is persuasive evidence of his personal abilities and talents. As a veteran diplomat who clearly enjoys the confidence of both party and government leaders, Hazi is invariably well-informed and speaks with assurance and candor.

Hazi, 58, speaks English, Russian and German. He is married and has one daughter.

A thorough search of U.S. Government sources reveals no grounds for objection.

MEMORANDUM FOR WILLIAM P. CLARK

FROM: PAULA DOBRIANSKY 27

SUBJECT: Your Meeting with Hungarian Ambassador Petran
(Wednesday, August 3, 1983 -- 3:00 p.m.)

Hungarian Ambassador Janos Petran (accompanied by Dr. Jozsef Hajdu, Political Counselor) will be paying you a five-minute "farewell" courtesy call on Wednesday, August 3. The Ambassador will be leaving in mid-August for Budapest and then to Vienna to head the Hungarian MBFR delegation. In this meeting, the Ambassador will be seeking any parting comments/messages from you which he can carry back to Hungary. Below are several substantive talking points you may want to make:

- We continue to pursue a policy of differentiation toward Eastern Europe. That is, those countries which pursue policies reflecting their sovereign interests will be treated accordingly.
- The United States values its relationship with Hungary. We have admired Hungary's economic reforms and their results.
- We have valued the frank dialogue that has been generated at all levels between our countries. Such interaction will serve as a basis for further dialogue when the Vice President visits Hungary in September.
- We look forward to the visit of Foreign Minister Peter Varkonyi in September.

MEMORANDUM FOR ROBERT C. McFARLANE

FROM: PAULA DOBRIANSKY *PD*SUBJECT: Your Meeting with U.S. Ambassador to Hungary Salgo
(Tuesday, December 20, 1983 -- 4:30 p.m.)

RCM HAS SEEN

An appointment has been scheduled on December 20 for you to meet briefly with Nicolas Salgo, our new Ambassador to Hungary. He is primarily interested in discussing the Administration's policy of differentiation toward Eastern Europe and its application for Hungary.

Background: In comparison with other East European countries, Hungary has gone further in introducing market force mechanisms in its economy and in tolerating a degree of social diversity. U.S.-Hungarian relations have developed and improved since the return of the Crown of St. Stephen in 1978. We differentiate positively toward Hungary (as manifested by the Vice President's September visit) because of its relatively liberal domestic policies. Presently, we have no serious bilateral problems.

Several points you may want to raise in the meeting include:

- Reaffirm that we do pursue a policy of differentiation toward Eastern Europe. That is, we look to what degree countries pursue autonomous foreign policies, independent of Moscow's direction; or to what degree they foster domestic liberalization -- politically, economically and in their respect for human rights.
- Toward this end, the U.S. will engage in looser relations with those countries which assert greater openness or independence.
- Our differentiated approach has and will continue to recognize and respond to these kinds of change in Hungary and other East European countries.

I have attached at Tab I for your information Ambassador Salgo's bio.
