AMERICA—ISRAEL

FRIENDSHIP LEAGUE

134 East 39th Street, New York, NY 10016 • (212) 679-4822

December 10, 1984

Mr. Marshall Breger
Special Assistant to the President
Old Executive Office Building
Washington, D.C. 20500

Dear Marshall:

I was so pleased to have had the opportunity to meet you at the recent leadership seminar: MEETING OUR ENERGY NEEDS.

This is a subject that ought to command the attention of all Americans. The administration's genuine commitment to reducing this nation's dependence on foreign sources of energy was evidenced by your remarks and the presence of Secretary of Energy, Donald Hodel, as the keynote speaker.

The AIFL was happy to have been a part of the seminar; we also have long been interested in the subject. In our own small way we have been involved in educational programming on the subject of energy, as you will see from the enclosed Winter '83 (page 3), Winter '84 (page 4) and October '81 newsletters.

You will note from the materials enclosed we are a non-sectarian, non-political, bi-partisan group, dedicated to building strong links between the United States and the State of Israel and friendships between Americans of all faiths and Israelis through a variety of people-to-people programs.

We look forward to working with you in the future and send warm wishes for a Happy Chanukah.

Sincerely yours,

Ilana Artman
Executive Vice President
