Dear Ms. Fairbanks:

Thank you so much for scheduling time on Friday, June 11 to meet our New York staff experts in housing and neighborhood renewal.

With regard to your interest in a suitable community event I have identified an occasion which seems to encompass your interests as I understand them.

JASA (Jewish Association of Services for the Aged), the largest of the 130 New York Federation social services agencies, is dedicating a 150 unit \$9 million publically funded housing development for the elderly called Scheuer House of Brighton Beach. (I believe the funding was closed during the Reagan administration.)

The community is densely populated by the Jewish very elderly and includes a Soviet immigrant population.

Simultaneously dedicated will be the Scheuer natatorium and health club affiliate of the Shorefront YM-YWHA (Young Men-Young Women Hebrew Association) of Brighton and Manhattan Beach which is funded solely by voluntary contributions as a neighborhood renewal project.

JASA is able to accommodate to your schedule in the month of September exclusive of the Sabbath and the High Holy Days should you elect to move with this event.

I am available at your convenience to provide further details as necessary and I'll forward additional event possibilities as I hear of them.

Sincerely,

Paula V. McMartin

Mr. Michael Gale
Deputy Special Assistant to the President
Room 197 Old Executive Office Building
Washington, D. C. 20500

Dear Michael:

I'm writing to request your assistance in securing speakers from HHS to address the Public Policy and Programs Committee of the New York Federation, who will be attending a Washington Policy Seminar on Wednesday, April 27, 1983.

These lay leaders determine the policy affecting the approximately 130 social services delivery agencies which we fund in Metropolitan New York.

They are relatively well-informed with regard to specific federal programs in the areas which we wish to discuss.

On the morning of April 27, they will hear from Hill leaders, including Congressman Conte and Congressman Conable.

Following a luncheon, we would like to visit HHS and meet with certain principals in the following offices:

- OHDS - Dorcas Hardy 245-~~6796~~ 7246
- Administration on Children, Youth and Families - Lennie Tolliver 245-0724
- Administration on Aging - Clarence Hodges 755-7762
- Assistant Secretary for Planning and Evaluation - Robert Rubin, M.D. 245 1858

If you can secure two of the above speakers in the time slots 2:15 to 3:00 and 3:00 to 3:45, or 4:00 to 4:45 we would very much appreciate it.

Thank you for your efforts.

Sincerely,

Paula V. McMartin

May 2, 1986

Mr. Max Green

The White House
Room 197 OEOB
Washington, D.C. 20500

Dear Mr. Green:

On behalf of the Community Relations Committee of the Jewish Federation Council of Greater Los Angeles, we want to acknowledge your appointment as Associate Director of the White House Office of Public Liaison. The Los Angeles Jewish community looks forward to working with you and being supportive of your efforts to enhance relations between the White House and the Jewish community.

As you are aware, Los Angeles is President Reagan's home community. We would be most honored and privileged to arrange for a major event honoring the President at a time appropriate for his schedule and in recognition of the quality of relationships between Israel and the United States during his administration.

Thank you for your interest in working with us and possibly arranging such a special evening. With all good wishes.

Sincerely,

STEVEN F. WINDMUELLER, Ph.D.
