THE WHITE HOUSE

WASHINGTON

November 18, 1985

Dear Mr. Krawiecz:

Please excuse my delay in replying to your letter. Since I am new to my job, it is taking a while for me to get up to speed. In any event, I am very interested in your work and look forward to the opportunity of visiting your community. Since I do get to New York fairly frequently it should not prove difficult to arrange a mutually convenient time to meet. Perhaps you can let me know something about your own schedule.

Sincerely,

Max Green

Hon. Max Green
Special Assistant to the President
The White House
Washington, D.C.

Dear Mr. Green:

Congratulations upon your appointment as Special Assistant to the President. This is a very distinguished position in that you are "shliach tzibur" (emissary) for Jewry in all of the United States. May G-d give you the wisdom to represent the interests of the Jewish people with the Reagan Administration and may you be successful in all your endeavors.

Our organization, the Southern Brooklyn Community Organization is an inter-ethnic community development group which was organized by Agudath Israel of America to preserve communities with large Jewish populations. Our Board contains representation from all different ethnic groups that comprise our community. With the help of the Reagan Administration, we have been able to create a number of housing developments in our community to replace some of the blight that was threatening the very existence of our communities - Boro Park and Kensington - Ocean Parkway. With the continued help of the administration, we look forward to creating many more units of housing desperately needed by large low moderate income families and elderly people.

I would like to take this opportunity to invite you to visit our community and our offices at your earliest opportunity to learn more about what we are doing and how Jewish communities are working diligently to preserve themselves and to grow.
