Dear Dr. Turner:

It was a great pleasure to meet you and to hear your message both at the luncheon of the Sarasota Bay Women's Republican Club and at the evening Town Meeting at Riverview High School.

Both talks were most informative and your delivery was most effective, holding the attention of all of your listeners. In addition, you were most gracious to give as much time as you did to the question-and-answer periods. I believe you were very helpful to those who questioned you at length at the evening meeting. Both occasions were a great success, and we are most grateful to you for coming to Sarasota to share with our citizens the valuable information which all of us needed to have.

Wishing you all the best as you continue your important work.

Sincerely,

Kay E. Glasser
