Dear Friends:

I believe all of you know how I feel about drug use among our school-age children and know of the heartbreak I have witnessed in talking with young people in drug rehabilitation centers and prevention programs across the country.

Message -
All of us can and must work together to give future generations the kind of start they need, a start that is free of drugs. The efforts of Keebler Company demonstrate the good that can be done by a corporate citizen genuinely concerned about drug abuse. I regret not being with you, but I wanted to let you know I appreciate what you are accomplishing for the children and families in our country.

Sincerely,

NANCY REAGAN ^A

Sheryl:

Here is the draft I
promised for the Mrs. Reagan
message I can carry to Friday's
news conference kicking off
the shopping center drug abuse
project.

Carlton Turner and Landon
Parvin have looked at it and
neither one had a change to
suggest.

Dear Friends:

I believe all of you know how I feel about drug use among our school-age children and know of the heartbreak I have witnessed in talking with young people in drug rehabilitation centers and prevention programs across the country.

All of us can and must work together to give future generations the kind of start they need, a start that is free of drugs. The efforts of Keebler Company demonstrate ^{the good that can be done} ~~what happens when a~~

^{by a} corporate citizen genuinely concerned about drug abuse, ~~is willing to go beyond its original commitment if it will benefit society.~~

I regret not being with you, but I wanted to let you know I appreciate what you are accomplishing for ^{the children and families in} ~~our~~ country.

Sincerely,
