Dear Ms. LaBarber:

On behalf of the President, thank you for your recent invitation.

You were very kind to extend this opportunity to the President. Unfortunately, I regret to write that, due to an already heavily committed schedule, he will be unable to accept your invitation.

However, your request for a message has been noted and forwarded to the appropriate office for consideration.

Dear Mr. President:

I am writing to you on behalf of the American Academy of Natural Family Planning (AANFP). We will be having our Fourth Annual Meeting July 2 through 6 in San Francisco, California, and our theme is, "NFP: The Bridge to Health".

Natural Family Planning continues to grow as the method of choice for a growing number of American couples. Modern research and delivery systems have enabled couples to be able to identify days of fertility and infertility with over 99% accuracy. With this information couples are free to plan their families without the use of chemicals or devices.

Because the method involves education in the fertility process and the beginning of human life, it often leads couples to a new awareness of the sacredness and dignity of human life.

A growing number of hospitals are offering NFP services in an effort to promote health and institutes of higher learning are developing programs for NFP teacher education.

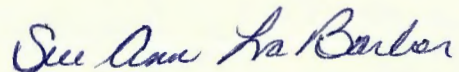

N.F.P. supporters and teachers from all over the country will be attending our Annual Meeting. We would be most honored if you could address our membership personally. In past years you have graced our meetings with a telegram expressing the support and good wishes of both you and Mrs. Regan. They provided a real impetus to carry on in a most enthusiastic and productive manner. I am asking if you could do this once again. The telegram could be sent to:

The American Academy of Natural Family Planning
c/o Nancy Spielman, President
Holiday Inn - S.F. Airport
245 South Airport Boulevard
South San Francisco, CA 94080

President Ronald Regan

We sincerely applaud the work you have done on behalf of the unborn and family life. We thank you for your help and support, and our prayers are with you for your continued good health.

Sincerely,
