I congratulate and commend all the participants ~~in~~ the Fifth Annual Meeting of the American Academy of Natural Family Planning.

PD/ Your work is extremely important, and, as you know, upholds a central value of my Administration. You give ^{parents} ~~families~~ the true choice they need to raise their families in a dignified and economically sound manner. ~~You help them avoid the degradation and health dangers associated with so-called birth control methods that are truly "artificial".~~ Above all, you help them avoid the death trap of abortion.

PD/ Keep up your excellent work. Many depend on it. God bless you.

Sincerely,

RR
