MEMORANDUM FOR THE CHIEF OF STAFF

FROM: FRANK C. CARLUCCI 

SUBJECT: Dr. W. Glenn Campbell Request for a Meeting with the President

Dr. W. Glenn Campbell is Chairman of the President's Intelligence Oversight Board (PIOB). He also has a seat on the President's Foreign Intelligence Advisory Board (PFIAB). Apparently, he has been trying for some time to schedule a meeting with the President. According to the background section of the schedule proposal that is attached, Dr. Campbell would like to brief the President on the activities of the Board regarding their investigation of allegations of illegal intelligence activities surrounding the Iranian arms sale in late November 1986.

My recommendation is that the PIOB put the results of its investigation in a classified report to the President and that we not have a publicized photo opportunity of the Chairman of the PIOB briefing the President at the end of March on their investigation. Perhaps the President could have a private meeting with Dr. Campbell to discuss the PIOB's report.
