ATWATER, LEE: Files, 1981-1983

Office of Political Affairs

Harvey Leroy “Lee” Atwater (1951-1991) worked in the Reagan White House from 1981 to 1983. In October 1983, he and most of the Political Affairs staff left the White House to serve in the President’s re-election campaign organization.

The following container list is based on a preliminary arrangement completed by the Reagan Library in 1990. The collection covers only Atwater’s time on the Reagan White House staff.
