Parts or all of this collection or series of Presidential records are not currently processed or available for research. Some folders, segments or whole boxes are processed and are currently available for research. This available material is noted in bold.

The non-bolded folders listed in these inventories are subject to Freedom of Information Act (FOIA) requests under the provisions of the Presidential Records Act (PRA).

If you are interested in submitting a FOIA request for access to any of the unprocessed records listed in these inventories or have any questions about these collections or series, please contact our archival staff at 1-800-410-8354, outside the US at 1-805-577-4012, or email reagan.library@nara.gov.

**CLAREY, DONALD A.: Files, 1981-1987**

Office of Cabinet Affairs, Consultant, Associate Director & Deputy Director

Donald Clarey started in the Office of Cabinet Affairs in July 1983 as a consultant. In August 1983 he converted to a detailee from the Department of Commerce and was given the title of Associate Director. In October, 1985 he was promoted to Special Assistant to the President and Deputy Director of Cabinet Affairs under new Cabinet Secretary Al J. Kingston. Clarey left the White House for an appointment as Deputy Administrator at the Small Business Administration in May 1987.

For additional Clarey work product please see Series IV: Southwest Border Initiative within the Office of Cabinet Affairs records. Clarey took over White House coordination for this group in early 1984. Clarey’s material from the Task Force on the 1986 Chernobyl nuclear power plant accident can be found within White House Office of Records Management CO165 (Soviet Union), case file 418045.
