**GREEN, MAX: Files, 1985-1988**

Office of Public Liaison

Max Green started with the White House Office of Public Liaison in October 1985 as an Associate Director. His primary work responsibility was the Jewish constituency following Marshall Breger. In addition he added responsibility for several other constituencies turned over to him from Linas Kojelis. Green left the Office of Public Liaison in June of 1988. It is not clear that he was replaced by anyone.

Many of the folders in this collection contain both Max Green and Matt Zachari material. Matt Zachari was a Staff Assistant who worked with Green during the latter part of his time in the office. Zachari also has a small collection of his own.
