JACOBI, MARY JO: Files, 1983-1985

Office of Public Liaison (Women/Minorities and Business)

Mary Jo Jacobi was one of four people who were simultaneously appointed to Office of Public Liaison positions in April 1983, as Faith Whittlesey replaced Elizabeth Dole as head of the office. Her stated responsibilities involved “working with the business community, with special emphasis on issues of concern to women and minorities.”

For a brief time, Marybeth Brennan assisted Ms. Jacobi with some of her duties and provided secretarial assistance. A very few folders contain work product or personal material for Brennan, but have been left in the Jacobi collection.
