KIMMITT, ROBERT M.: FILES, 1981-1985

Office of the Legal Advisor, NSC, 1981-1983

Office of the Executive Secretariat, NSC, 1983-85

Robert Kimmitt was a holdover at the National Security Council from the Carter Administration. Since he had worked with arms transfers issues during the Carter administration, he continued to do this as a staff position until the NSC reorganized along functional lines sometime in 1983. In addition, his official position was Legal Counsel for the Freedom of Information/Legal Policy office at the NSC. The position was later changed to Legal Advisor. We have not separated these two office/functions. The files are easily identifiable by Legal or AT (Arms Transfer) tags.

A number of Kimmitt's legal folders were pulled and then sent on to various Independent Counsel investigations. No effort was made to identify this material by collection or redistribute to the Kimmitt collection when it was returned to Jonathan Scharfen, Legal Advisor of the NSC at the close of the Reagan Administration.

As the Library processes this Scharfen material, we will make every attempt to designate boxes containing Kimmitt material. Currently the following boxes in the Jonathan Scharfen collection are noted for Robert Kimmitt, Paul Thompson and/or Sam Maizel material: Box 37 (91104), Box 40 (91107), Box 41 (91108), Box 58 (91653) and Box 91110.

Kimmitt, whose father was the long-time Secretary of the Senate, through his personal interest and his work on Arms Transfers was involved in NSC legislative affairs, although never officially a part of that office. He maintained legislative files that are identifiable with an "LA" tag. The Library believes this might have been an office file for all of the staff members involved with legislative work. We find a lot of work product from Peter Sommer within this material.

In addition, Kimmitt left the NSC and later returned as Executive Secretary. The Library has not located specific files that are Kimmitt's from his time as Executive Secretary. Please see the Executive Secretariat records for more information or material originated by Kimmitt as

Executive Secretary.
