

Reagan Library Topic Guide – Economic Summits

Reagan Library topic guides are created by the Library staff from textual material currently available for research use. Material cited in the topic guides come from these collections:

[White House Staff and Office Collections](#)

White House Office of Records Management (WHORM) [Subject Files](#)

White House Office of Records Management (WHORM) [Alphabetical Files](#).

An overview of the entire Reagan Presidential Collection is available in the [Guide to Holdings](#).

The folders and case files listed on these topic guides may still have withdrawn material due to Freedom of Information Act (FOIA) restrictions. Most frequently withdrawn material includes national security classified material, personal privacy issues, protection of the President, etc.

ECONOMIC SUMMITS, 1981-1989

Economic Summits, formally known as the Summit of Industrialized Nations, were held annually during the Reagan Administration. The summits were commonly referred to as the G-7 Summits. The seven countries attending the summits were the United States, Canada, Italy, West Germany, France, Japan and the United Kingdom. Summits were held in the following locations:

1981 – Ottawa, Canada

1982 – Versailles, France

1983 – Williamsburg, Virginia

1984 – London, United Kingdom

1985 – Bonn, W. Germany

1986 – Tokyo, Japan

1987 – Venice, Italy

1988 – Toronto, Canada

For ease of use, we have combined all material for all 8 summits under this topic.
