

Reagan Library Topic Guide – Medicare Payment Changes

Reagan Library topic guides are created by the Library staff from textual material currently available for research use. Material cited in the topic guides come from these collections:

[White House Staff and Office Collections](#)

White House Office of Records Management (WHORM) [Subject Files](#)

White House Office of Records Management (WHORM) [Alphabetical Files](#).

An overview of the entire Reagan Presidential Collection is available in the [Guide to Holdings](#).

The folders and case files listed on these topic guides may still have withdrawn material due to Freedom of Information Act (FOIA) restrictions. Most frequently withdrawn material includes national security classified material, personal privacy issues, protection of the President, etc.

These FOIA requests pertain to Presidential records concerning changes in Medicare's payment policies during the Reagan Administration. Many of these changes were mandated by Social Security Amendments of 1983. The records consist of background material compiled for meetings of the Working group on Health Policy and Economics and the Domestic Policy Council, which include draft policy papers, reports, articles and newsletters pertaining to Medicare funding issues, and input from the public regarding proposed changes to Medicare.
