

Reagan Library Topic Guide – Colin L. Powell

Reagan Library topic guides are created by the Library staff from textual material currently available for research use. Material cited in the topic guides come from these collections:

[White House Staff and Office Collections](#)

White House Office of Records Management (WHORM) [Subject Files](#)

White House Office of Records Management (WHORM) [Alphabetical Files](#).

An overview of the entire Reagan Presidential Collection is available in the [Guide to Holdings](#).

The folders and case files listed on these topic guides may still have withdrawn material due to Freedom of Information Act (FOIA) restrictions. Most frequently withdrawn material includes national security classified material, personal privacy issues, protection of the President, etc.

POWELL, COLIN L.

Scope Note: This topic contains a large set of WHORM subject case files authored or actions taken by Colin Powell as the Deputy Assistant and Assistant to the President for National Security Affairs. The material is not necessarily “about” him.
