Dear John:

Concerning your request, I have confirmed the following:

The Office of Public Liaison is actively working on a briefing for the Chief Executives Organization for the morning of October 26th.

At this time, they anticipate that Jim Miller, Clayton Yeutter and Beryl Sprinkel will all speak to your group. Unfortunately, Vice President Bush is not available to participate. The President is also unavailable.

I'm also sorry to inform you that we will not be able to host a White House reception. As you well know this is already an extremely busy fall and scheduling events is becoming increasingly difficult.

I'm sure your briefing will be a success.

Thanks for writing.

Sincerely,

Howard H. Baker, Jr.

I want to thank you also for your thoughtfulness in sending me the USO shirt. It was certainly a nice surprise.

Please know that I have also forwarded your letter to Frederick J. Ryan, Jr., Director of Presidential Appointments and Scheduling, regarding a filmed address from the President for the October 27th USO fundraising gala in West Germany.

Dear Ms. Riley:

Thank you for your message to Senator Baker following President Reagan's address to right-to-life leaders on July 30.

The President has directed the Secretary of Health and Human Services, Otis Bowen, to issue new regulations to clarify the meaning of the abortion restriction governing Title X and to ensure that Federal funds are denied to any program that encourages, promotes, or advocates abortion; that counsels or refers clients for abortion; or that assists a woman in obtaining an abortion. The proposed regulations were published in the Federal Register on September 1. The President has stated on many occasions his deep concern about abortion, and he will continue to call for policies which reflect our nation's heritage of respect for the sanctity of human life.

In light of your interest, I am enclosing a copy of the President's July 30 remarks.
