RETURN CORRESPONDENCE TO LURA NELL FOR FOLLOWUP

December 22, 1987

Dear Ward:

Thank you for your recent letter concerning the new proposal to modify the "fairness doctrine" and impose a transfer fee on the sale of commercial broadcasting stations.

As you know, the President's position on this matter could not be more clear. He feels strongly that any effort by the Federal government to set the content of broadcasting along the lines of the fairness doctrine is not only unwise, but unconstitutional. Competition, not government regulation, is ultimately the surest guarantor of fairness. For these reasons, the President vetoed the "Fairness in Broadcasting Act" passed by Congress earlier this year.

The Federal Communications Commission subsequently voted to repeal the administrative regulations which imposed the fairness doctrine, and the legislative proposal you referred to in your letter has been deleted from the Senate bill to which it had initially been attached. These actions represent, I believe, a growing realization that our broadcast media can be both free and fair.

This is a very significant issue, and one of great importance to this Administration. Thank you for writing to me and expressing your views on this subject.

Sincerely,

Howard H. Baker, Jr.

Dear Mr. Kanemaru:

It was very good to hear from an old friend. I am sorry that we have not been together for some time, but I hope we can correct that situation in the near future. I appreciate, as always, your very kind words of encouragement.

I also understand and appreciate all that you have done in the past and are doing now to strengthen relations between our two great nations. We may always wish for something more, but as politicians we must do what we can. We have made progress over these past few years and, with careful guidance in both countries, we can make further advances. Your continued assistance in that effort will be vital.

I was greatly impressed with Mr. Takeshita on those occasions we have met in the past. I believe that he will prove a most able Prime Minister and carry on the important international leadership begun by Mr. Nakasone. I will, of course, do everything I can to assist Mr. Takeshita and his new administration. I look forward to meeting with the Prime Minister on his planned trip to Washington next year.

Please do not hesitate to contact me if I can be of assistance to you or Mr. Takeshita.

Dear Mrs. Stoner:

On behalf of Senator Baker, I want to thank you for your letter. Your interest in writing is appreciated.

I am sorry to send a disappointing reply to your request for an auction item, but the large number of similar appeals received by the Senator has forced him, in fairness, to decline them all. I hope you will understand the need for such a policy.

Nevertheless, we appreciated hearing from you. Please accept Senator Baker's best wishes for success in meeting your goals.

Sincerely,

Dear Jack:

Thank you for your letter of December 16 regarding the film industry and the Canada Free Trade Agreement. Quite simply, because of my prior membership on the MCA Inc. Board of Directors, I am advised that I should recuse myself from the film industry aspect of our negotiations with Canada. I have asked Ken Duberstein to get in touch with you.

I trust that you will understand that we must err on the side of avoiding even an appearance of a conflict.

Best personal regards.
