Senator Howard Baker, Jr.
Chief of Staff
White House
Washington, D.C.

Dear Senator Baker:

It gave me immense pleasure to read in the papers that the president has requested you to take charge as chief of his advisors. The news was so good and made me so much happy that I can't help expressing my feelings thru this letter. This may have to do with my feelings of personal association with you thru correspondence although we never met, going back to 1976 when I was a graduate student in Utah, and later on in New York when you tried to help me & my wife at few occasions. I shall remain much obliged and very grateful to that for ever.

Your being tapped by the president for such an important task definitely shows the confidence of the president of the United States and the people of this nation in your abilities and talents. Incidentally this may disappoint some people like me who were looking forward to your running for the presidency of the nation. However as it appears, the present president and the nation subsequently needs your help now and your accepting the position as chief of staff may be the right thing to do at the moment.

I congratulate you on your new position, and my very best wishes for running the white house successfully and with grace.

With my very best and warmest personal regards,

Cordially,

Narendra K. Gupta

Dear Sen. Baker -

Thank you for coming into the
game to help the President. Many supporters
of the President are disappointed at what
has happened and want the President to
recover as soon as possible. You will
get it done.

Its been a long time since 1966
when we were with you and your
campaign in Sumner County.

At that time, you began a new
Career, that served our County well
for 18 years. The new course you
have now begun will be just as
beneficial for you and for the
County.

Please pardon the handwriting

Thank you & Good Luck.

Dear Senator Baker,

Given the events of the last several weeks and months it is more than a little difficult to concisely express ones' views on the matters which have been occupying the nation's attention as well as the circumstances which have now brought you to the White House. I think your appointment is without doubt the best staff nomination the President has made. I certainly wish you and the people who work for you the best of luck (you will need it). I am confident the overwhelming majority of Americans also support this move.

As a partisan Democrat, I view with somewhat mixed emotions the political developments these last few months. As an American, however, I support my president and I support his decision to place you in charge of White House operations.

Sincerely yours,

Herman J. Prager III

Dear Senator Baker:

Permit me to join your many friends in offering CONGRATULATION to you on your appointment as Chief-of-Staff to the President of the United States.

I really can't begin to tell you how thrilled I was to hear about it. It is a great tribute to you, the wonderful things they said about you, since they are absolutely true.

It is indeed an appropriate honor for your years of professional and splendid achievements.

As you know, I come from a political family in Lebanon, you know my uncle Charles, as the Ambassador and in the United Nations, I was raised, educated etc. in Iran, I know them inside-out, not being a part of the Washington Establishment (bureaucracy), I make no statement about Iran, nor commenting about what has happen at this time. The coming of the new regime, and the establishing of the fundamentalist there was not to our advantage. If you need to know about Iran its people, cultural etc. I will be of service to you.

Congratulations!--on such outstanding achievements.

Sincerely,

Raymond H. Malik, Ph.D., Sc.D.

Dear Mr. Baker:

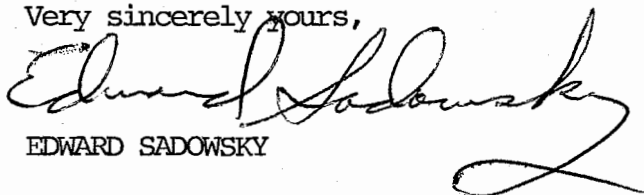

I would like to wish you the best of luck in your new position as the White House Chief of Staff. I am certain that you will shortly put the ship of State back on a safe course.

One of the perceived problems of your predecessor was that he appeared to be carrying out his own agenda. In addition, whenever he was interviewed there appeared to be a lack of warmth.

I believe that you will have a very challenging next couple of months, so I suggest that you keep all matters in perspective and most of all keep your sense of humor.

Best wishes.

Very sincerely yours,

Dear Mr. Baker:

You no doubt will not remember me, but you and your secretary, *
Linda Strachan, ~~were so very kind to me~~ almost two ^{or 3} years ago when
Tennessee Ernie Ford and his wife, Betty, were guests of ours.

I just want to let you know how thrilled the Fords and the
Bridgmans are with your appointment. If anyone can straighten
out the present predicament, you can!!

I believe I told you that whenever you decided to run for
President, I would work on your campaign as a volunteer. I am,
and have been, a volunteer for President Reagan since 1979. My
husband calls me the "world's biggest patsy"!! For the past 6
years I have spent most of my Wednesdays in the White House
Comments and Greetings Office.

Have thought about this note since last Friday and decided that I
just HAD to send something to you to let you know that our
thoughts and prayers will be with you during these trying times.

The best of luck and, again, we are delighted with your
appointment.

Very sincerely,
