MEETING WITH: American Legion "Birthday Week" Leaders
LOCATION: Oval Office
TIME: 11:30 AM - 11:40 AM
FROM: Elizabeth H. Dole *EHD*

PURPOSE: To present you with a commemorative copy of the American Legion's program for the presentation of the American Legion's Distinguished Service Medal to the Dead and Missing of the Vietnam War which was awarded this morning at the Tomb of the Unknowns in Arlington Cemetery. Additionally, they wish to invite you to address their 62nd National Convention to be held in Hawaii in August of this year.

BACKGROUND: You were warmly received by the American Legion at their 61st National Convention, which you addressed in Boston last August. During that convention they passed a number of resolutions dealing with the need to strengthen our national defenses, including the adoption of the 600-ship navy and improved military preparedness. They are extremely pleased with your commitment to these goals.

They understand that you are not in a position to accept their invitation to join them in Hawaii in August.

The highlight celebration of their 62nd "Birthday Week" festivities is the presentation of The American Legion Distinguished Service Medal to The Dead and Missing of the Vietnam War. Ceremonies, which included American Legion Vietnam veterans from all states, were held at the Tomb of the Unknowns at Arlington Cemetery this morning at 10:00.

PARTICIPANTS: See attached list.

PRESS PLAN: Official Photo Coverage

SEQUENCE OF EVENTS:

- 11:30 AM The American Legion veterans, led by National Commander Michael J. Kogutak, enter the Oval Office and extend you their greetings.
- 11:35 AM Presentation of the Commemorative Program and extension of the invitation by the National Commander to you.

TALKING POINTS FOR MEETING WITH
AMERICAN LEGION "BIRTHDAY WEEK" LEADERS

- I congratulate the American Legion on taking the initiative in honoring those who fought and died for their country in the Vietnam War. Honorable recognition for our Vietnam veterans is long overdue and richly deserved.

- I am counting on your support as we move forward to restore integrity to our military forces. We do not aim to be second best. Our goal is to be strong enough militarily to pick and chose our options.

- A strong military presence can only be maintained if the economy is alive and vibrant. There is no other way. We are fighting a battle on two fronts: improvement of the economy and increased military preparedness. We need the help of the American Legion on both fronts.

LUNCHEON MEETING WITH REPUBLICAN AND DEMOCRATIC
WOMEN MEMBERS OF THE HOUSE AND SENATE

DATE: Monday, March 16, 1981
LOCATION: First Floor Family Dining Room
TIME: 12:00 noon - 1:00 p.m. (1 hour)

THRU: Max Friedersdorf MB
FROM: Nancy Risque
Pamela Turner

I. PURPOSE

To continue your dialogue with women Members of Congress on major legislative issues.

II. BACKGROUND

On January 6, 1981, you hosted a similar luncheon at Blair House to establish communication with this group, and to hear their concerns. You suggested at that time that you intend to have an ongoing dialogue with the group, and that "we will do this (meet) again." Today's luncheon is a follow-up on that commitment.

There are currently twenty women serving in the 97th Congress: two Senators (both Republican), and eighteen Representatives (nine Republicans and nine Democrats). Since your first meeting with the group, the seat of former Representative Gladys Spellman (D-Maryland) has been declared vacant due to her prolonged illness.

At the January 6th meeting, remarks were generally of a congratulatory nature with some reference to specific programs such as day care for working mothers, transportation programs, environmental issues, and federal policies which affect the family. Several participants encouraged the appointment of women to positions of responsibility in your new administration.

Since that initial meeting, you have been inaugurated, established the framework of your administration and sent to the Congress an extensive economic recovery program. It is likely that your record thus far may prompt questions on the following topics:

- Appointments: You have appointed a number of women to high-level positions in your administration, several of whom are attending this luncheon (see attached list of participants). Nevertheless, there may be some Members who will not be satisfied with the number and the level of appointments thus far. You could pre-empt a challenge here by "challenging yourself" first and citing your efforts to bring more women into the administration, (see Talking Point #4).
- Proposed budget cuts: Particularly those affecting job training, medical care, welfare, transportation, and other social programs aimed primarily toward women.
- Regulatory Reform: Relaxation of standards for environmental pollution.

Other items of interest to individual Members are outlined in Attachment B.

NOTE: Mrs. Reagan is hosting a luncheon today for Mrs. Anwar Sadat in the Red Room. Republican Congresswoman Millicent Fenwick of New Jersey is also lunching with the First Lady and it is possible that they may drop in.

Also, each guest will receive an appropriate piece of Presidential signature jewelery as a favor from the luncheon.

SUGGESTED TALKING POINTS FOR MEETING WITH
WOMEN SENATORS AND REPRESENTATIVES

- Welcome your guests. Mention how much you enjoyed meeting with them at Blair House on January 6th, and remind them that you are following through on your promise to get together again.
- You also promised to work with Congress and you have been doing just that. Since taking office on January 20th, you have personally conducted 52 meetings involving approximately 373 Members of Congress. This kind of communication is essential to a good working relationship with Congress and that kind of cooperation is what we must have to turn this country around.
- Cite some of your major actions since your last meeting: The Inauguration . . . submission of your economic recovery package . . . establishment of the Task Force on Regulatory Relief headed by Vice President Bush . . . Margaret Thatcher visit . . . your trip to Canada.
- Mention that you are also in the process of building your administration team. Stress your awareness of their interest in appointing women to high-level positions. Mention that you are pleased with the caliber of women already appointed - some of whom are here today - but that you are determined to bring on many more women appointees in the weeks ahead. To accomplish this, you have appointed Mrs. Wendy Borchardt to your Presidential Personnel Office to work with women candidates.
(Mrs. Borchardt is attending this luncheon.)

- Bring up your economic program. Most of the legislators are involved in committee action on your budget proposals. Acknowledge the fact that this will involve some tough decisions and difficult votes, but point out the widespread public support for spending restraint. Encourage them to work with you in holding the line on this issue.
- Reiterate your interest in working with this group and being sensitive to their concerns. Thank them for coming.

THE WHITE HOUSE

WASHINGTON

March 16, 1981

MEETING WITH: Jerry Lewis and the 1981 Muscular
Dystrophy Association's National
Poster Child

LOCATION: The Oval Office

TIME: 2:45 p.m. - 2:55 p.m.

FROM: ELIZABETH H. DOLE *END*

PURPOSE: Mrs. Reagan will join you to receive Jerry Lewis, National Chairman of the Muscular Dystrophy Association (MDA), who will present you with a photograph of the Jerry Lewis Neuromuscular Research Center at UCLA in appreciation for your support, as Governor of California, for the creation of the center. Christi Bartlett, the 1981 MDA National Poster Child, will be introduced.

BACKGROUND: As Governor of California, you supported a bill in the legislature providing matching funds with the Muscular Dystrophy Association for a multi-million dollar research center at the UCLA School of Medicine. A distinguished team of research scientists and clinicians is working at the center to provide cures and treatments for muscular dystrophy and other neuromuscular diseases. Jerry Lewis, as National Chairman of the MDA for the past 29 years, has given successful leadership to the Association in raising several hundred million dollars. His Labor Day Telethons alone in the past 14 years have raised nearly \$200 million. Today is Mr. Lewis' 55th birthday and his 50th anniversary in show business. The media coverage serves to recognize volunteer efforts and bring attention to the need for public support of this type of medical research. The five-year old National Poster Child, Christi Bartlett, attends kindergarten in Shreveport, Louisiana.

PARTICIPANTS: See attached List

PRESS COVERAGE: Press pool photo coverage.

SEQUENCE OF EVENTS:

- 2:45 p.m. Jerry Lewis, his family, the MDA National Poster Child, her family and MDA officials will join you and Mrs. Reagan in the Oval Office for a brief conversation prior to the presentation.

SUGGESTED TALKING POINTS FOR MEETING WITH

JERRY LEWIS AND THE 1981 MUSCULAR DYSTROPHY
ASSOCIATION'S NATIONAL POSTER CHILD

- Nancy and I have long supported the goals of the Muscular Dystrophy Association. But we know that without the inspiration and leadership of Jerry Lewis, we could not have come as far as we have in fighting neuromuscular diseases -- some of the most cruel diseases of all. By his dedication and sincere commitment over the last 29 years, Jerry has allowed us as Americans to realize our enormous capacity to effectively meet tough challenges by investing our time and money and heartfelt concern where we see a need.

- I am proud to receive this photograph of the Jerry Lewis Neuromuscular Research Center because it represents to me a solid reminder of what can be accomplished when individuals, business, and government join together to tackle the problems we face.

- I am so pleased that we have had the opportunity to meet Christi Bartlett. With Christi, we shall continue to work to eradicate muscular diseases.

- Jerry, Nancy and I also want to wish you a happy birthday and congratulate you on fifty years in show business. Your commitment to overcoming human problems and your outstanding efforts in this regard are inspirations to all Americans.

-- YOUR HARD WORK AND THE HARD WORK OF BUILDERS BEFORE YOU, TOOK AN AMERICAN WILDERNESS AND TURNED IT INTO A CITADEL OF PRODUCTIVITY AND COMMERCE. I DON'T HAVE TO TELL YOU THAT OUR COUNTRY WENT ASTRAY SOMEWHERE ALONG THE LINE. BUT I PLEDGE TO

YOU TONIGHT, TOGETHER WE CAN GET THIS COUNTRY GOING AGAIN. WE CAN BRING INFLATION DOWN. WE CAN GET AMERICA BUILDING AGAIN.

-- YOUR ENDORSEMENT OF MY ECONOMIC RECOVERY PACKAGE IS EVEN MORE MEANINGFUL BECAUSE I AM AWARE THAT SOME OF THE PROPOSED SPENDING REDUCTIONS AFFECT YOUR MEMBERS DIRECTLY. BY THINKING OF THE NATION AS A WHOLE, RATHER THAN MOMENTARY FINANCIAL INTERESTS, YOU ARE DEMONSTRATING THE KIND OF SPIRIT THAT MADE THIS COUNTRY GREAT. AND IT IS THE KIND OF SPIRIT THAT WILL MAKE IT GREAT ONCE AGAIN.

-- BUT IT IS GOING TO BE A TOUGH FIGHT. THERE ARE THOSE WHO WOULD RATHER GET THEIRS NOW THAN CURE INFLATION, AND THEY ARE GOING TO DO EVERYTHING THEY CAN TO PRESERVE THE STATUS QUO. NOW I ASK YOU, AFTER TWO YEARS OF DOUBLE DIGIT INFLATION AND ECONOMIC STAGNATION DO YOU REALLY WANT TO KEEP THE STATUS QUO?

-- I APPRECIATE YOUR SUPPORT AND I AM LOOKING FORWARD TO A CLOSE WORKING RELATIONSHIP WITH A.G.C. AMERICANS ARE STILL A PEOPLE WITH TRUE GRIT. YOUR SUPPORT SUGGESTS TO ME THIS KIND OF SPIRIT IS STILL OUT THERE. THANK YOU AGAIN FOR THE HONOR YOUR'VE PAID ME TONIGHT. DON'T WORRY -- TOGETHER WE CAN GET THE JOB DONE.
