MEETING WITH REPRESENTATIVE DAVE MARTIN (R-NEW YORK)

DATE: Monday, August 16, 1982

LOCATION: The Oval Office

TIME: 1:00 P.M. (15 minutes)

FROM: Kenneth M. Duberstein *Ker D.*

I. PURPOSE

To solicit Dave's solid support for the reconciliation tax bill.

II. BACKGROUND

Dave Martin--a freshman Republican from New York's 30th District (northern part of state)--is a member of the House Interior and Insular Affairs Committee. He has been an active member of the House Republican Whip organization and a strong supporter of the economic recovery program.

Dave has met with the President and with White House staff on the tax issue; and he is reported to be "leaning against" the reconciliation tax bill. Dave has special concerns about the withholding provisions.

III. PARTICIPANTS

The President
The Vice President
Congressman Dave Martin (R-New York)
Kenneth M. Duberstein

SUGGESTED TALKING POINTS FOR MEETING WITH
CONGRESSMAN DAVE MARTIN (R NEW YORK)

- We've accomplished a lot by working together over the last year and a half. You have helped enact historic changes--a basic reversal of the tax and spend policies of years past.

- As a member of the Republican Whip organization, you know how difficult it was to put together a coalition for our economic program. We had similar problems passing a Budget Resolution this year. We were able to save our basic tax cut and the indexing provisions--but at a price. The price was the tax package now reported out of conference.

- You know how important I believe it is to pass this conference report. Passing this conference report will help bring down interest rates and keep them down. These lower interest rates are the key to stimulating business recovery.

- Unfortunately there has been a lot of misinformation about this tax bill. New personal taxes are only 17 percent of the \$99 billion figure. About 80 percent of the money raised by the bill will come from plugging special interest loopholes and from collecting money that is already owed. The effect of the withholding provisions has been greatly exaggerated.

- As partners in an economic recovery program we are faced with tough choices. In my mind a vote against the conference report is a vote for higher deficits and higher interest rates and would create a breakdown in the budget process that is so crucial to imposing fiscal discipline on the Democrats in the House.
- One other thing, if this were a parliamentary form of government, a vote against this conference report would be considered a vote of "no confidence" in me and my leadership. I need your help and support. I'm asking you to vote for the tax bill conference report.

THE WHITE HOUSE

WASHINGTON

MEETING WITH CONGRESSMAN GENE CHAPPIE (R-CALIFORNIA)

DATE: Monday, August 16, 1982
LOCATION: The Oval Office
TIME: 1:15 p.m. (15 minutes)
FROM: Kenneth M. Duberstein *Ken D.*

I. PURPOSE

To indicate strong Presidential support for the tax bill and to ask Gene Chappie to vote for the conference report.

II. BACKGROUND

House Republicans are very reluctant to support the tax bill. Certain Republicans have mobilized opposition to any tax bill. It is imperative that these Republicans understand how important it is to the President that this tax bill be passed.

Congressman Gene Chappie (R-CA) is serving his first term. He represents the 1st District which is in Northern California and sits on the Agriculture Committee. Mr. Chappie is leaning against the tax bill because of the withholding provision. His greatest need is for his constituents to be convinced that the withholding provision is not going to hurt them.

III PARTICIPANTS

The President
Congressman Gene Chappie (R-California)
Kenneth M. Duberstein
Lyn Nofziger

IV. PRESS PLAN

White House Photographer only.

V. SEQUENCE OF EVENTS
