Some of the archival materials in this collection may be subject to copyright or other intellectual property restrictions. Users of these materials are advised to determine the copyright status of any document from which they wish to publish.

### **Record Type**

Textual

### **Biography**

### **Brief Biography**

Edward Stucky has been a government official, and business and public affairs specialist.

Stucky holds a degree in Business Administration from the University of Kansas.

During the Reagan Administration, Stucky served as Executive Assistant to the US Customs Commissioner, Deputy Executive Secretary of the US Treasury Department and Associate Director of the White House Office of Cabinet Affairs. Prior to his stints in the Reagan Administration, Mr. Stucky worked as a legislative aide to Senator Bob Dole.

After leaving government he advised companies on public affairs strategies related to economic policy. Stucky has participated in several international trade organizations, served as a consultant and director for numerous companies and started several enterprises. Currently he is the President and CEO of Republic Capital Access assisting government contractors with specialty financial issues.

Stucky has served on numerous non-profit boards including the Mid-Atlantic Operation Hope Board, the Lewinsville Presbyterian Church Foundation Board and the National Presbyterian Church Fund for Charitable Giving.

Stucky resides in Great Falls, Virginia with his wife, Lisa, and two children Jack and Julia.

## **Scope and Content Note**

### **Scope Note**

The Edward Stucky collection consists of two series: SERIES I: Economic Policy Council and SERIES II: Subject File.

## **Series List**

### **SERIES I: ECONOMIC POLICY COUNCIL**

This series contains material related to the meetings of the Economic Policy Council from July, 1985 to October, 1987. This material includes agendas, meeting participants and background papers on international trade policies; finance and banking policies in the United States focused on savings & loan difficulties and farm & agricultural credit; promotion and protection of certain industries; taxes and tax reform and regulations of industries. The material is arranged chronologically by meeting date.

## **SERIES II: Subject File**

This series contains material related to expanded background information about various economic issues such as the Airbus and passenger airliner industry; Canadian free trade; Canadian products; Department of Agriculture and the droughts of the later 1980s; the Federal Home Loan Bank Board (FHLBB); machine tools; oil and energy; semiconductors; Small Business Administration; space program; steel industry; tax reform; and trade legislation. The material is arranged alphabetically by folder title.

## **Last Modified Date**

2025-01-03

## **SERIES I: ECONOMIC POLICY COUNCIL**

This series contains material related to the meetings of the Economic Policy Council from July, 1985 to October, 1987. This material includes agendas, meeting participants and background papers on international trade policies; finance and banking policies in the United States focused on savings & loan difficulties and farm & agricultural credit; promotion and protection of certain industries; taxes and tax reform and regulations of industries. The material is arranged chronologically by meeting date.
