Biography

Office Description

The National Security Act of 1947 created the position of Executive Secretary to the National

Security Council (NSC) to record the meetings and actions of the NSC. In 1969 the title of the

position became Staff Secretary. For the first two years of the Reagan Administration Allen

Lenz held the position under the title Staff Secretary. In 1983 the administration reestablished

the title of Executive Secretary and made it responsible for internal staff management and

operations. The Executive Secretary coordinated the flow of substantive paperwork through the

various components of the NSC organization to ensure the effective use of staff resources.

President Reagan had five Executive Secretaries during his administration:

Robert M. Kimmitt (1983-1985)

William F. Martin (1985-1986)

Rodney B. McDaniel (1986-1987)

Grant S. Green (1987)

Paul Schott Stevens (1987-1988)

Scope and Content Note

This collection consists primarily of chronological files of all correspondence and memoranda that required the signature of the Executive Secretary, and it begins in 1983.
